POLICY STATEMENT

Troy State University is an equal opportunity institution and as such does not discriminate on the basis of sex, race, color, or national origin in any of its programs including admission of students and employment. The University complies with Title IX of the Education Amendments of 1972. Inquiries concerning the application of Title IX may be referred by employees to the Director of Personnel Services at telephone number 205/566-3000, Ext. 332 and by students to the Dean of Student Affairs at telephone 205/566-3000, Ext. 296.

From the beginning — This year was unique.

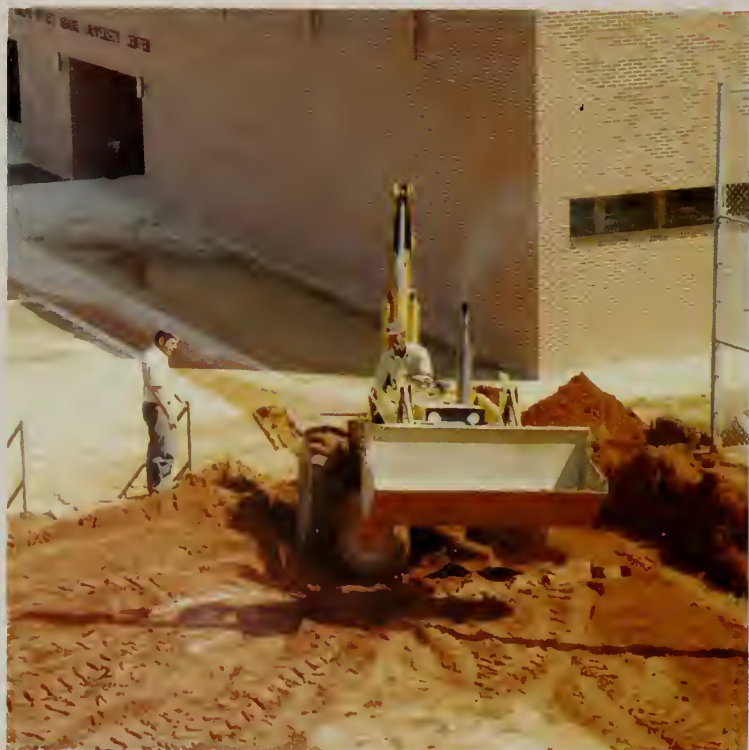

In some ways, it was the same as previous years, but in other ways, it was very different, what really matters is — Something Happened!

It was the bicentennial year and
leap year —
A year not like any past year.

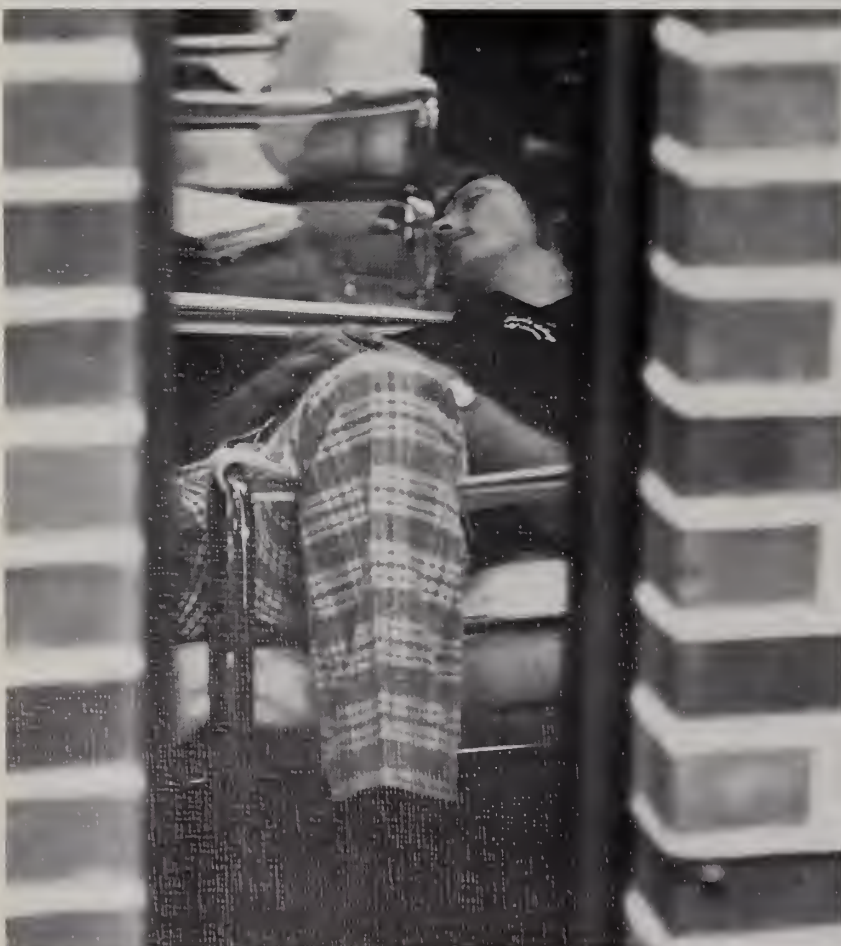

Hurricane damage to the stadium brought warm Saturday afternoon games . . . two new buildings were dedicated . . . and T.S.U. started broadcasting on Channel 7.

In every student and in the college a
change took place — We grew!
New fraternities, new coaches and
new buildings

A year when everyone was an individual with different thoughts and aims. Each pursued their goals in their own way and for many, their four year goal was finally attained.

It was a year of long weekends and short weekends — of leisure days and study nights.

A year that spanned 9 months if you go by the calendar — but a lot longer if you lived it.

Both the college and the students took time out to look at new values. Some were shaken off and replaced by new ones, while others remained the same. This unique year was not just another college experience — but the “Troy Experience.”

CAMPUS LIFE

Registration — Long Lines and Frustration.

Hurricane Eloise Sweeps Through Troy.

She came from the south in the night leaving a twisted scar across Alabama. She blew into Troy wrenching up trees and destroying whatever got in her way. But as all storms she died. When the rains left and the debris was cleared away Troy still stood.

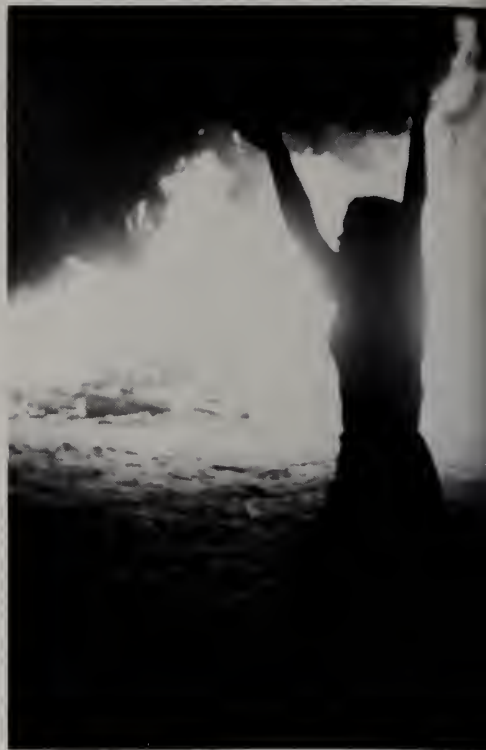

Homecoming '75

Homecoming '75 came to Troy this year with the nation's bicentennial as its theme. The excitement began with everyone working on floats and house displays. On Wednesday, October 22 Linda Ronstadt provided entertainment in Sartain Hall. The Thursday night pep rally brought the burning of the Lion at the annual bonfire. Saturday brought the usual bustle of excitement and hard work becoming a reality. The House displays was won by Sigma Pi Fraternity with the slogan "Kick Em Back to 1776." Dill Hall won the on campus award with "Dill Pickle the Lions." The parade was one of the best yet and the Homecoming game ended in defeat for the Trojans. Miss Donna Ray, the 1975 Homecoming Queen was crowned at halftime activities. Her court included Kathy Seele, Marilyn Robinson and Susie Barr. Once again Homecoming was a week-end to remember.

TRUTH

IN CONCERT

"Truth" a touring music company of 17 members from 11 states performed for TSU students on Monday night, November 10 to a packed audience in Smith Auditorium.

"Truth" is led by a former TSU student, Roger Breland. He began the group five years ago as he was minister of music and youth at Spring Hill Baptist Church in Mobile. They have recorded nearly a dozen albums and they are heard on radio and seen on network television around the world each day. Their music ranges from contemporary rock to that of a stage band with a brass ensemble. Troy State was indeed fortunate to have them appear on our campus.

POSTED
NO TRESPASSING
KEEP OUT

Old Into New

Wright Hall, one of TSU's older buildings is being renovated and is the first phase of renovation and up-grading of many buildings on the campus. Along with the renovation of Wright Hall, a new Natatorium will also be built. These two buildings will be joined by a connecting corridor. The new facility will have new locker facilities to serve both the swimming pool and the gym in Wright Hall.

The swimming pool will be an Olympic size with modern filtering equipment. The pool will have an observation deck from underwater and an upper deck for spectators that will overlook the entire area for swim meets, demonstrations, etc. There will be two diving boards, and the pool will have underwater lighting.

This major renovation of Wright Hall, with the basic function being to house offices dedicated to Admissions, Records, Graduate Division, Financial Aid and will have meeting areas, elevator, complete air conditioning, and carpet. When completed the building will serve the campus community for several generations.

Approximately 1.4 million dollars will be spent on this project, and the proposed opening date is January, 1977.

The Sound of the South

Long hours and hard work is what it takes to become the best. This is true of Troy State's "Sound of the South" band. The band is under the direction of Dr. John Maloy Long who came to Troy State in 1965. Since that time the band has made five appearances during the half-time shows at the Blue Gray classic, three appearances at half-time shows in the Senior Bowl in Mobile and one half-time appearance at the Peach Bowl in Atlanta. The band also appears regularly on national television and it has performed for every professional football team in the south. The Troy State University Band has also played in the Presidential inauguration parades of 1969 and 1973 and entertained former President Nixon during a visit he made to Alabama.

SHOW- TIME . . .

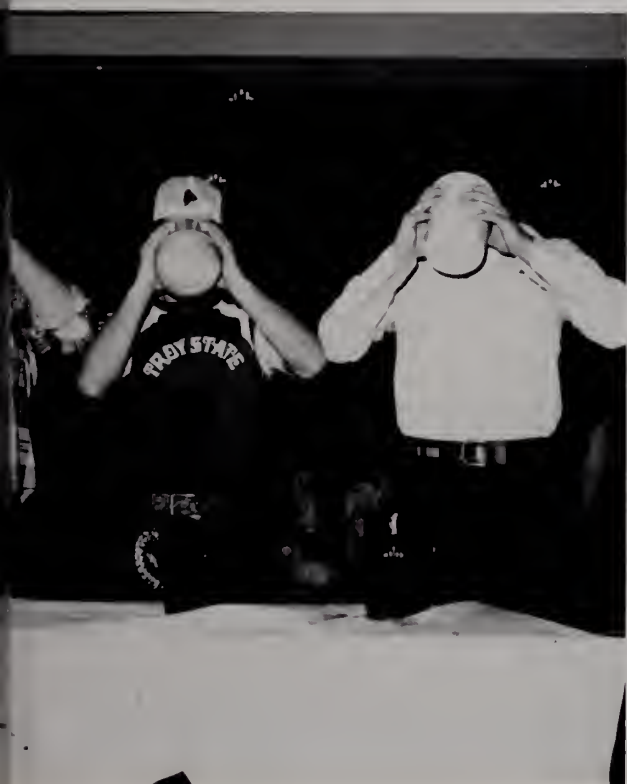

Adams Union Board Presents Unique Entertainment for Students

The Adams Center Union Board sponsored a dance featuring "Clique" and also The Harold's Club during fall quarter. Winter quarter, the Adams Center Union Board had its Gay Nighties Party. The Sigma Pi's won the drinking contest and the Alpha Gamma Delta's won the '90's Costume contest with the Alpha Delta Pi's taking 1st Runner-Up. The entire night with coffeehouse, band and casino was a huge success. There were also old time movies and a barber shop quarter included. In spring quarter, a new program A NIGHT AT THE RACES was held and also a six hour band concert — THE ELEPHANTS ARE COMING.

The second year of the Adams Center Union Board was hailed a success by organizers and participants alike.

John Maloy Long Hall — A Symbol of Excellence and Growth

The formal dedication ceremonies of John M. Long Hall took place on Thursday, February 5, 1976 at four o'clock. Presiding over the ceremony was Dr. Max Rafferty, Dean of the School of Education. The honored guests which attended included Dr. Paul Yoder, Past President of the American Band Masters Association; Colonel George Howard, Past President of the National Band Association and Chairman of the Board of Directors for the John Philip Sousa Memorial in San Antonio, Texas; Dr. William Revelli, Founder and Past President of the College Band Directors National Association; Mr. Frank Butenschon, Director of Bands at Valdosta High School in Valdosta, Georgia, and Mr. Redus Brooks, President of Brooks Heating and Ventilating in Montgomery, Alabama. Representing the faculty of the Troy State University System included Mr. Truman Welch, Dr. Ralph Adams, Dr. Max Rafferty, and Mr. Everett Johnson.

John Maloy Long Hall stands today on the grounds where hundreds of college musicians drilled and perfected their formations and marching techniques. Long Hall, newest building on the campus, represents more than the bricks, mortar and steel of which it is made. It is a symbol of growth and excellence. Long Hall was built for a purpose. When Dr. Long joined the TSU faculty in 1965, he found a marching band composed of only 11 students. Today, that skeleton group has turned into one of the nation's model marching units. But today's famed 250 — "Sounds of the South" marching band isn't the only finished product of Dr. Long's contributions to TSU. Quality music education, a nationally acclaimed faculty, concert performances, and the nation's largest high school band camp are but a few of his accomplishments. Long Hall is more than a band rehearsal room; it has offices and other rooms with specialized purpose. The rehearsal room seats 300 and includes a filming platform, and complete recording facilities. There are also an instrument repair room, storage rooms, and lockers for student use. The building was completed in the summer of 1975 and the state legislature approved a resolution in October to name the building in honor of Dr. Long. The action of the legislature was termed by Dr. Long as "the greatest honor anybody could have."

"BOOKING IT"

Warm Winter Days Brought Early Spring Arrival

Spring time came early at Troy this year and it was welcomed by all. The warm days brought beach trips, outside classes and even sunburn faces. Students studied outside, talked outside, laid around outside, and played outside. The atmosphere was indeed a welcomed one and brought "Spring Fever" to all TSU students in Winter quarter.

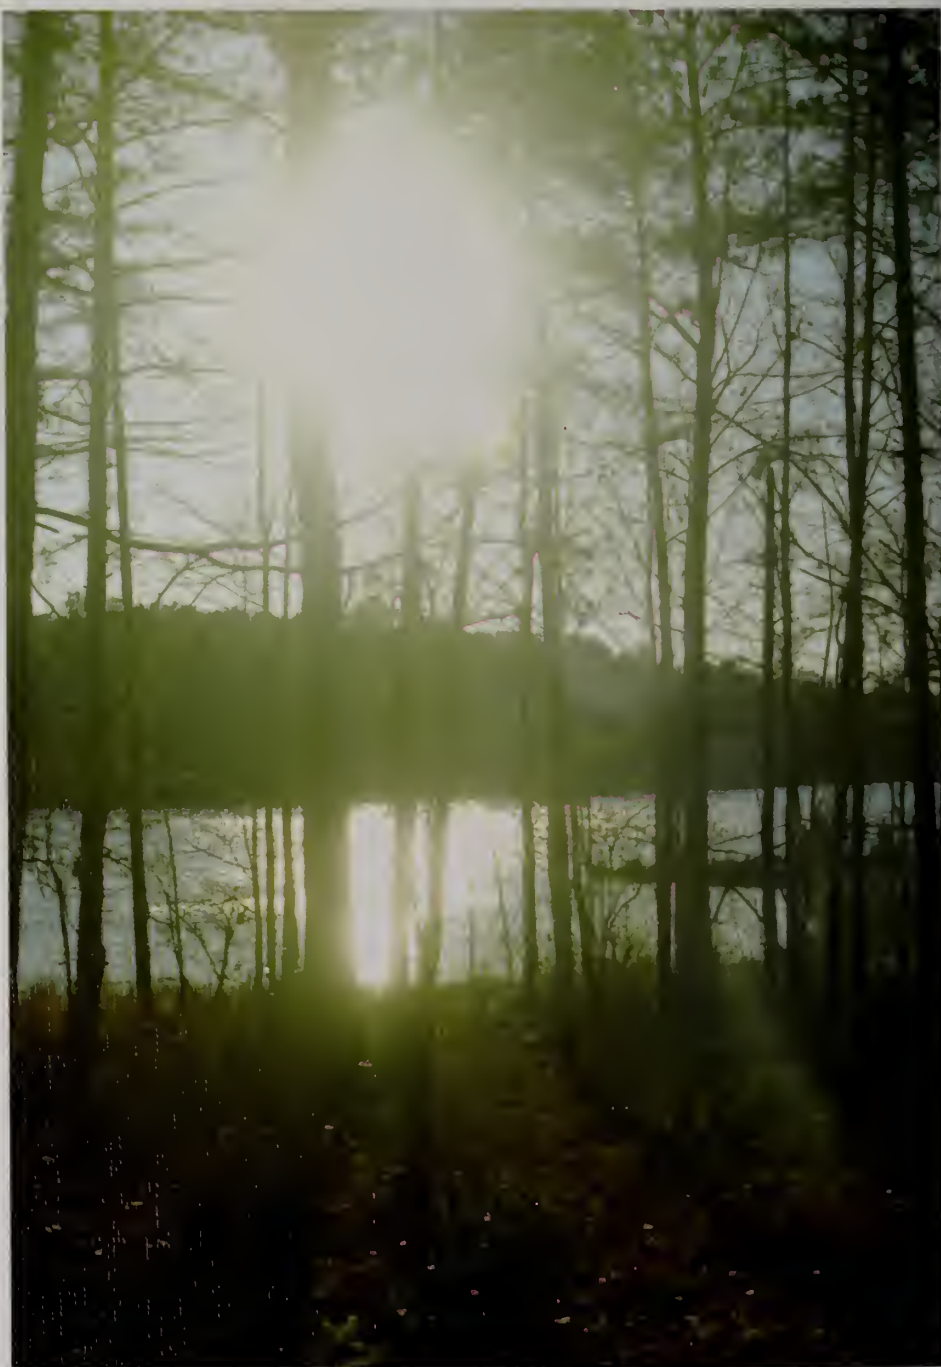

1975-1976 The Year in Review

FALL QUARTER 1975

As all school years begin, fall quarter brought back old friends, old teachers and old habits. It was a busy quarter at Troy beginning with the biggest and best sorority rush ever. New residence hall policies made it possible for girls to obtain a pass key without parental consent for the first time. Pep Rallies started and the "great" Troy spirit showed through each one, only to have it somehow die by game time on Saturday. Hurricane Elloise swept through Troy one morning and by afternoon, all that remained was broken limbs and damage. Football games were held in the afternoons this year due to the stadium lights being broken in the hurricane and this brought a new dimension to the games. Homecoming came with the usual excitement as Donna Ray was crowned queen. Linda Rondstadt was big name entertainment and the drama department presented "A Man For All Seasons." Vixen also appeared on campus as well as the famous gospel group "Truth." The Greek System got into full swing with Delta Chi winning the football intramural and Alpha Gamma Delta winning the sorority volleyball intramurals. Colonies of Sigma Chi and Delta Kappa Epsilon made their appearance and Kappa Alpha Psi, TSU's first black fraternity started organizing. Wright Hall, the old gym, began transforming into a new natatorium to be completed next year and the famous Harold's Club was brought back by the Adams Center Union Board. The quarter ended with the football team placing in a tie for third place in the Gulf South Conference and receiving a new head coach for next year. The Cross Country team won the Gulf South Conference with Ed Palmer leading the way. Christmas break was around the corner and a holiday break everyone was in need of.

WINTER QUARTER 1976

Winter quarter brought the start of a bicentennial year and leap year. It began by having PALLADIUM pictures remade at registration. The Southeastern United States band clinic was held here while the debate team gained national recognition with its many wins. Kathy Mowrey was crowned Miss Troy State University as well as taking the titles of Miss Congeniality and the talent award. The Adams Center Union Board hosted a Gay Nineties Party and SGA brought The Spinners as big name entertainment. Once again, the drama department proved a success with the play "Inherit the Wind." There was also a Dance-a-Thon for retarded children and many TSU students helped make it a big success. The new band building named in honor of Dr. John M. Long was formally dedicated with many dignitaries present. Dr. Ralph Adams, TSU President was named "Man of the Year" by the city of Troy. The TSU band and Collegiate Singers had their annual concerts which were enjoyed by all who attended. The basketball team had a fairly successful season finishing fourth in the Gulf South Conference and being runners-up in the NAII District 27 Playoffs. Due to emphasis on Title IX, the future seems a little brighter for women's sports, particularly the Lady Trojans. Kappa Alpha Psi was established and the nursing students held a very successful blood drive. Spring fever hit early this quarter as warm days came early. The quarter ended with the usual exams and the anticipation of Spring Holidays.

SPRING QUARTER 1976

The academic year draws to a close with the beginning of spring quarter. James Taylor appeared as Big Name Entertainment to a full house in Sartain Hall. Troy State experienced its first Sigma Chi Derby Week which brought much excitement and vigor to the TSU campus. The Opera Workshop presented an outstanding performance of the famous opera "Faust" to a full house in Smith Auditorium every night. "Charley's Aunt" was this year's Dinner Theatre production which starred Johnathan Harris. Spring Sports ended well for TSU with the golf team capturing the NCAA Title and also the conference title for another year. The tennis and track teams both finished fourth in the conference while baseball finished second in the Gulf South Conference Eastern Division. Mrs. Ralph Adams, TSU's first lady was named "Woman of the Year" by the Troy Chamber of Commerce and the new track was named after Dr. J. H. Colley, who served as University Physician for a number of years. The Greek System had another eventful Greek Week as Elizabeth Lemon was crowned Miss Venus. The usual Greek games, parties, and the Greek dance was enjoyed by all and helped bring the Greek system closer as one. The Sound of the South band gave a tremendous concert and a successful journalism symposium was held. The Delta Kappa Epsilon fraternity received their charter and new cheerleaders were elected in the amphitheater. The annual SGA elections brought much excitement and controversy as Rock Jellison and Frank Espy emerged as the victors. Dr. W. T. Wilks, Vice-President and Dean of Academic Affairs retired after 29 years and Dr. Ed Barnett replaced him as Acting Dean. As spring quarter drew to a close, honor societies inducted new members and Honors Day was held in honor of all the students who had achieved academically for the past year. Mr. Eugene Sherman was presented the 1976 Ingalls Award. Graduation was once again a dream come true for many and a great way to end a great year. Another "Troy Experience" has ended and how it will be remembered depends on how each individual student looks back over it.

ORGANIZATIONS

Student Government Association

The Troy State Student Government Association is an organization which has the purpose of communicating between the students of the school and the Administration and Faculty. In essence, theirs is the responsibility of bridging whatever communication gap that exists. This effort presents both an opportunity and a challenge to the Executive Committee of the S.G.A. in particular and the Senate in general.

There always exists a certain amount of apathy among students on any college campus. This stigma makes the job of communicating very difficult, indeed. The apathy evolves from the fact that students nowadays are very individualistic, seeming to care only for themselves in a quest for knowledge and preparation for life's occupation. The trait of individualism is a healthy one, but it tends to shrink the opportunity for the inspiration of a student body as a whole toward common goals.

In spite of the presence of a seemingly apathetic student body, a small nucleus of students have been able to inspire the student body of Troy State to reach a common agreement that the Student Government Association deserves commendation for its work. This favorable opinion that is shared among students evolves from efforts by the executive committee over the past two years. The leadership has consisted of Paul Staples, president for the past two years; Danny Sikes, Vice President; Debora Benton, Vice President and Senator-at-large; Susie Dover Barr, Vice President; Vickie Hickerson, Senator-at-large; and such leaders as Beth Ann Johnson, Sheila Jenkins, Bruce Fernald, and Peter Wilkes.

The Mainstay of the S.G.A. and the reason for so much favorable commentary has been the reality of good quality big name entertainment. It was part of Paul Staples' and Danny Sikes' initial platform that the S.G.A. exchange quantity for quality in the contracting of performances. This has resulted in two sellouts in the past two years; namely, the Olivia Newton-John show and the Linda Ronstadt show. Two other shows that brought over 2,000 in attendance were the Spinners and James Taylor. These are accomplishments of which the student body can be immensely proud and build toward the future. A side light to this accomplishment has been the fact that the S.G.A. is financially solvent from the University with regard to financial backing for concerts.

The S.G.A. Senate was also confronted with the familiar problems of the dormitories, cafeteria food, and parking. To these problems there were offered no fantastic solutions, but the S.G.A. made students aware of certain critical realities. First of all, there is no parking problem. The problem is in the matter of convenience for those who commute. Enough parking spaces are available to accommodate all the cars, but the reality is that everyone can not park near the student center, etc.

During the past years women have been able to enter and leave the dormitories at all hours. Curfew is a thing of the past for women residents as well as men.

The food in the cafeteria has shown improvement as a result of the opening of the lines of communication between SAGA and the student body. Miss Lisa Branch is given credit for this

Paul E. Staples, President

accomplishment.

The Troy State S.G.A. has not, in effect, been the panacea of all the ills that has confronted the student body. The key word is that the S.G.A. has made an honest effort that has led to a certain degree of success. In essence, this Student Government Association has been inspirational toward common goals in a primarily individualistic environment.

TSU's People in Blue — Building for a Better Tomorrow

Air Force ROTC provides exceptional opportunities for outstanding college men and women. The diverse curriculum includes a review of communicative skills, a survey of professionalism, leadership and management concepts, and a study of national security from a military standpoint. In addition to demanding academic work, cadets enjoy extracurricular activities such as intramural sports, Arnold Air Society, Angel Flight, Military Balls and other social activities.

AFROTC prepares the cadets for a challenging and rewarding career upon graduation. Cadets are commissioned in the United States Air Force as Second Lieutenants upon graduation and go on to serve their country as professional, dedicated, and responsible leaders. With the job market as it is today, there is an increasing interest in AFROTC. What better way to be guaranteed a job upon graduation than through AFROTC?

Angel Flight is a honorary service organization devoted to aiding the progress of the AAS, and in so doing advance and promote interest in the Air Force ROTC and the U.S. Air Force. Angel Flight is also devoted to serving TSU as official University hostesses and to serving the Troy Community. The past year has been very rewarding for the TSU Angels. Angel Flight received the "Samuel E. Anderson Award" signifying the flight which best helps further the AAS objectives. Also, Lt. Col. W. E. Holcomb, AF Advisor, received the "Outstanding Advisor Award" with his wife Betsy receiving the "Outstanding Honorary Angel Award."

A few of the many projects for this year included helping with the Cancer Drive, hosting the President's Box at ballgames, a bookdrive for Draper Prison, and assisting at our local Nursing home.

Summer Stock '75

STEVE KEAN is a theatre and music student from Fort Payne, Alabama. Steve began his professional career in musical theatre with the Jenny Wiley Music Theatre company in Prestonsburg, Kentucky. Hired through the Southeastern Theatre Conference, Steve was cast in the 80 member company of actors, musicians and technicians from the Eastern United States. Steve performed in four shows; BRIGADOON, GODSPELL, THE MOST HAPPY FELLA, and MY FAIR LADY. In addition to playing many various character roles, Steve was chorus master, and principal dancer.

Joel Williams — Best Supporting Actor for Sir Franis Chesney in CHARLEY'S AUNT.

MARTY HENDRICKSON worked the summer of 1975 at The Lost Colony, America's oldest outdoor drama. The Lost Colony is located on Roanoke Island, North Carolina, and is the actual site of the first English settlement. There at the "Colony" he received first-hand training from New York directors, designers, technicians and every night shared the stage with professional actors. Marty's job consisted of back-stage and on-stage work — having the principal job of being the company's stuntman. Every night for the entire summer Marty died from Indian attacks, fought hand-to-hand with flaming torches, and fell from roofs. Marty was asked to return to the "Colony" for summer of 1976 where he will be taking on more advanced roles.

Sabrina DuBose — Best Actress for Rachel Brown in INHERIT THE WIND.

During the summer of 1975 ALICE McCONKEY played the role of Princess Kee Wah Tey in the outdoor drama, THE LEGEND OF DANIEL BOONE, in Harrodsburg, Kentucky. Important in the historic story of Daniel Boone, are the Indians. Alice played the daughter of Blackfish, Chief of the Shawnee nation. "I was married 65 times last summer, he died 64 times . . . we were rained out during the middle of a show one time." While with "Boone," Alice participated in many promotional activities such as parades, radio and television programs, and the Kentucky State Fair. In addition to the busy schedule of the drama, Alice also organized and directed a professional touring children's theatre ensemble, similar to the TSU Pied Pipers.

Kerrie Millican — Best Supporting Actress for Jamie in INHERIT THE WIND.

Phi Alpha Theta

Phi Alpha Theta is an international honor society in History. It is the largest in number of chapters, of the accredited honor societies holding membership in the Association of College Honor Societies. The membership of Phi Alpha Theta is composed of students and professors who have been elected to membership upon the basis of excellence in the study or the writing of History. The local chapter of Phi Alpha Theta, Iota Mu, is the second oldest honor society at Troy State, having been nationally chartered August 1, 1964. To be invited to membership one must have a 2.5 grade point average or better in history and not less than a 2.0 overall grade point average. Phi Alpha Theta, with the TSU history department, formed the nucleus of a History Club in response to interest shown by the TSU students.

The Youth Association for Retarded Citizens is affiliated with the local, state, and national organizations. The main purpose is to provide services to the retarded on a one-to-one basis and to give them opportunities to experience social interaction with normal youth.

The major project of the T.S.U. Chapter was a Dance-a-thon which was held in February. Over \$1,200 was collected for the purpose of aiding in the work with the retarded children. Don Drinkard and Mona Bishop were the winners of this event. Another project was the establishment of the Buddy Program. Each YARC member chose a child in the county and became his buddy for the quarter. The last week all the children were brought on campus for a Circus Party.

Delta Sigma Pi is a national professional business fraternity. Delta Sigma Pi fosters the study of business in universities; encourages scholarship, social activity and the association of students for their mutual advancement by research and practice; promotes closer affiliation between the commercial world and students of commerce; and furthers a higher standard of commercial ethics and culture and the civic and commercial welfare of the community.

Sigma Delta Chi

The Society of Professional Journalists, Sigma Delta Chi, was founded at DePauw University in 1909. The Troy State chapter was organized in 1976, becoming the second student group in the state. Students in good standing who plan to make their careers in journalism are eligible to be elected to membership. The organization is dedicated to advancing the standards of journalism by fostering a high ethical code. The motto is "They Serve Best Who Serve the Truth"; and the society's watchwords are Talent, Truth, Energy.

Hamil Hall

With an attitude that Dorm living should be as comfortable as possible, the House Council has provided projects, entertainment, and an "open door policy" for Hamil Hall residents. The "Shaping of the Trojan" was the Homecoming project which involved papier-macheing a ten foot trojan, a lion, and a shield. Two parties were given during the year. The annual Valentine's Party provided lots of entertainment with the "Ugly Valentine Contest" and a skit. Besides providing entertainment, food, and drink, the parties provide an excellent opportunity for the residents to get to know each other. The "open door policy" also enables residents to voice complaints with the assurance that action will be taken. The ADs also share the House Council's attitude and have aided tremendously in the "open door policy."

Kappa Delta Pi

Kappa Delta Pi is the oldest honor society on the Troy State University campus. It is the only organization at Troy State to honor education students. As stated in the Constitution and By-Laws, the purpose of Kappa Delta Pi is to encourage high professional, intellectual and personal standards and to recognize outstanding contributions to education. Only juniors, seniors and graduate students in the upper one-fifth of the academic rating are invited to membership. Projects are the L. S. Vanderford Memorial Scholarship Fund, the Foy Ingram Cummings Memorial Fund, W. P. Lewis Award to the Outstanding Junior in Education and the R. H. Ervin Award to the Outstanding Senior in Education.

Omicron Delta Kappa

Omicron Delta Kappa, National Leadership Honor Society, was founded December 3, 1911, at Washington and Lee University, Lexington, Virginia, by fifteen student and faculty leaders.

The Society was established to recognize outstanding leaders and to bring together exceptional students, faculty, and administrators on a basis of mutual interest, understanding, and helpfulness. By definition, Society membership is highly selective, and only the most outstanding individuals are tapped. ODK members must possess leadership abilities in several areas of campus life because the Society places emphasis upon the whole person, both as a member of the college community and as a prospective contributor to a better society.

The Troy State Circle was founded in 1973. Through the efforts of the local undergraduate and faculty members the Troy Circle has established itself as the prestigious, leadership-recognition organization on campus. The Circle members are active in their individual activities, and collectively the Society sponsors a number of campus and community service projects.

Phi Kappa Phi

The prime objective of Phi Kappa Phi is to emphasize scholarship and character in the thought of college students, to foster the significant purposes for which institutions of higher learning have been founded, and to stimulate mental achievement by recognition through election to membership. The Greek letters of Phi Kappa Phi are taken from the society's motto — *Philosophia Drateito Photon*, "Let the love of learning rule mankind." Phi Kappa Phi thus proclaims that the desire for knowledge is universal in mankind. It is the purpose of the society to recognize, to promote, and to honor that "love of learning." Election to Phi Kappa Phi is the highest academic honor at Troy State.

In general, our initiates will come from those outstanding Seniors who have compiled a cumulative grade point average of at least 2.5. Minimum averages for the few Juniors to be elected are 2.7. Graduate Students must have an average of at least 2.8. The TSU Chapter of Phi Kappa Phi challenges our students and faculty to make our institution universally recognized for scholastic and academic excellence.

Phi Eta Sigma

Phi Eta Sigma is a national honor society designed to recognize young men and women who have been particularly outstanding during their freshman year of collegiate life. Only those individuals who have clearly demonstrated outstanding scholastic and leadership abilities are recognized and initiated into Phi Eta Sigma.

Phi Eta Sigma emphasizes those personal qualities which are essential to a successful and happy life. These qualities are a vigorous and disciplined mind, a strong healthy body, and a noble, generous character. These qualities are emphasized because they are best developed during the beginning years of collegiate life.

Phi Eta Sigma was established at Troy State in May of 1974. Many of the University faculty and staff members and student leaders have been tapped for membership since the chapter's inception.

Veterans Club

OFFICERS — Rick Stetson, Advisor; Mike Smith, Richard Canthon, Roy Johns, Dan Hart, Henry Greenhill, Dr. Carroll

The Troy State Veterans Club has evolved into one of the more active organizations on campus. In the summer of '75 the group sponsored a Fourth of July address by Dr. John Carroll on the significance of the fighting man in American history. Fall Quarter, the veterans participated in the Homecoming Day Parade. Representatives of each of the four branches of service were featured on the field in a special pre-game observance at homecoming. The club was responsible for achieving the three-week "mini-quarter" held during December and also hosted the first meeting of the Alabama Veterans Association. It was through the efforts of members in the TSU Vets Club that the AVA was created. The club helped promote a feeling of patriotism by conducting Veterans and Memorial Day observances and by arranging for the first Bicentennial event of 1976 at TSU, an address by Dr. Anthony Kubek, TSU Professor of Political Science.

Palladium Staff

Here we are, your PALLADIUM Staff Members — all sane, smiling, organized people!! Come by the office sometime and see for yourself!

The PALLADIUM staff attended the annual ACCAP Convention in St. Louis, Missouri in October and sponsored the Miss TSU Pageant in January.

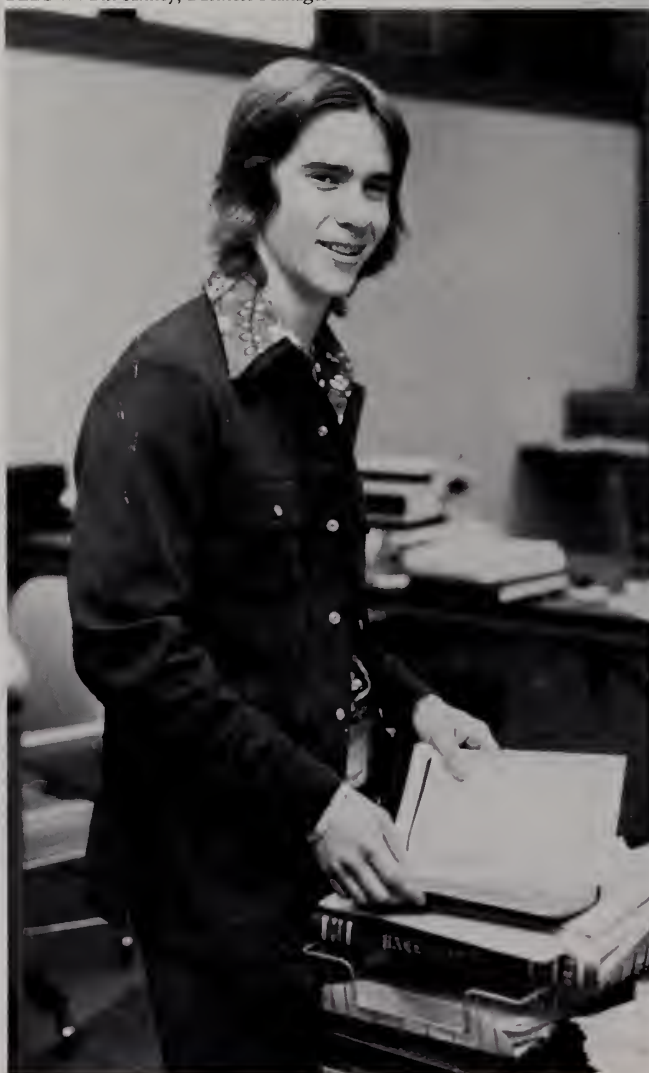

It has been a busy, productive year, with lots of problems, solutions to some problems and not some, and many deadlines that somehow came all too soon. We hope we have told the story of 1975-76 as it happened on the TSU campus.

GREEKS

Panhellenic

The Panhellenic Association consists of representatives from each sorority on campus. The objective of Panhellenic is to develop and maintain fraternity life and interfraternity relations at a high level of accomplishment. The Panhellenic sponsors the Miss Venus pageant during Greek Week each year. Panhellenic also gives a scholarship trophy to the sorority which has the best grade point average each quarter. Each year the delegates attend a Southeastern Panhellenic Conference. The conference this year was held in Athens, Ga. The delegates gained leadership experience and compared their problems to the problems of other universities. This helped the delegates realize the importance of good interfraternity relations.

Interfraternity Council

The Interfraternity Council of Troy State University is comprised of nine fraternities: Theta Chi, Delta Chi, Pi Kappa Phi, Sigma Chi, Sigma Pi, Tau Kappa Epsilon, Delta Kappa Epsilon, Kappa Alpha Psi, and Lambda Chi Alpha. These nine fraternities strive to carry out the Interfraternity Council's objectives which are to promote the interests of the University; to promote the interests of the fraternities represented; to promote the interests of University fraternities in general; to insure cooperation between the fraternities and University authorities to the end that the condition of the fraternities and their relations with the University authorities may be improved; to serve as representative of the social fraternities to the general public; to insure cooperation among the fraternities of the campus; to discuss questions of mutual interest and to present to the fraternities such recommendations as the Council see fit; and to promote and preserve good scholarship.

As being a member of the IFC for the past three years, and serving the Council as a representative, as the Vice President and as the President, I can honestly say that the IFC has progressed from a weak and apathetic organization to a strong and unified body.

Alpha Delta Pi

Anywhere there's fun and excitement, you'll find at least one Alpha Delta Pi. Since Alpha Delta Pi's founding at Wesleyan College in 1851, 124 of our chapters have sprung up in the United States and Canada. It is a growing and functional sorority bound to the traditions of the past and adapting to an advancing future. Alpha Delta Pi's motto, "we live for each other," expresses the feeling that binds the sisters together in an endless circle of love and understanding. This circle offers its friendship to you throughout your college experience. Friendship is Alpha Delta Pi . . . yesterday, today, and tomorrow.

Alpha Gamma Delta

Between the innocence of girlhood and leading to the wisdom of maturity, we find that amazing young woman known as an Alpha Gam.

Alpha Gams are found in tennis shoes and clogs, in bathing suits and formals, in campus offices and community service, wearing an apron or a crown, behind a trophy, in a kitchen, but always with "something special about her."

No one but an Alpha Gam can wear a pearl pin so proudly nor so truly know the meaning of a buff or crimson rose.

An Alpha Gam has the world and its treasures but she also has a special corner she shares with her sisters. She knows that sisterhood is laughing and crying together and it is far more than words can say.

Delta Chi

"Believing that great advantages are to be derived from a brotherhood of college and university men, appreciating that close association may promote friendship, develop character, advance justice, and assist in the acquisition of a sound education."

This is the beginning of the Preamble to Delta Chi Fraternity Constitution, which was established over 86 years ago at Cornell University, Ithica, New York. Success is synonymous with the Troy State Chapter in many ways. This is first exhibited in the Student Government Association, where three of the last five S.G.A. Presidents were Delta Chi's. There are also six chairs on the S.G.A. Senate floor occupied by brothers of Delta Chi.

This success is also demonstrated at pep rallies where four of the five cheerleaders are Delta Chi's. Delta Chi success is clearly evident when considering intramural activity. Where Delta Chi won all three sports, football, basketball and softball, without losing the first regular season game in any category, a feat which has never occurred at Troy State before.

Delta Chi's are officers and members of Scholastic and Honorary organizations too numerous to mention. Every brother of Delta Chi contributes to the Fraternity. However, the commonality that all the Brothers share is the bond of Delta Chi.

Lambda Chi Alpha

The Lambda Chi's have had a very good year. The Fraternity has achieved some major goals from house repairs to membership. In the fall the downstairs portion of the house was completely remodeled and over spring break we moved outside and painted the house. Recruitment of new members went well over the year and we are looking forward to some successful and exciting quarters in 1976-77.

Phi Mu

The second oldest national sorority, and celebrating its tenth anniversary on Troy State's campus, Phi Mu, was founded at Wesleyan College in 1852. We feel that the individual and her development are the prime factors in sorority life and our sorority revolves around the development of each sister's fulfillment. Scholarship, accomplishment, companionship, good times, laughter . . . this is sisterhood shared by the girls, bound together by their service to the ideals of love, honor and truth. "A Phi Mu is a girl who has moonlight in her hair, stardust in her eyes and heaven in her smile. Her impish grin is sunshine on a cloudy day. Its warmth is a caress which peeps through your troubles and quickly dries your tears. She has the power to lift your hopes with one glance, one twinkle of those laughing eyes. When she smiles, she brings courage and hope to your heart. Laughter precedes her; happiness walks with her; peace follows her. She means everything to me — she is my Phi Mu Sister."

Pi Kappa Phi

1976 is the year for anniversaries. The United States is 200 years old, the Greek system in America is 200 years old, and Gamma Gamma chapter of Pi Kappa Phi is ten years old.

Founded on April 10, 1966, Gamma Gamma chapter of Pi Kappa Phi has made many improvements in ten short years. Being the first fraternity on campus, Pi Kappa Phi has seen the fraternity system grow from two to eight social fraternities.

In keeping with this spirit of "first," Pi Kappa Phi introduced the fraternity meal plan and house mothers to the T.S.U. Greek system.

The spirit of brotherhood, sharing, and freedom of personal expression that our forefathers fought for 200 years ago is the same spirit on which Pi Kappa Phi was founded and operates on today.

Sigma Pi

We believe in Sigma Pi, a fellowship of kindred minds, united in brotherhood. . . We work together, we play together, we learn and make mistakes together. We sweat together and laugh together. We are brothers. Our ideals proclaim what we are and prophesy what we are to become. We stand together as brothers and men. We believe the fraternity makes us better men.

Tau Kappa Epsilon has more chapters than any other social fraternity. Why? Because we believe that the duties and obligation that subsist between the sons of the same Mother should subsist between brothers in the sacred bond of this fraternity. We believe that the essential elements of true brotherhood are love, charity, and esteem. Love that binds our hearts with the sturdy chords of fraternal affection; charity that is impulsive to see virtues in a brother and slow to reprove his faults; esteem that is respectful to the convictions of any brother.

Theta Chi

Formed in 1856 in Vermont, Theta Chi Fraternity chartered its Zeta Theta Chapter at Troy State University in 1966. Troy State University life — from participating on several intercollegiate athletic teams to being members of numerous honor societies. The Brothers of Theta Chi also enjoy an active social life, have several members holding offices in the Student Government Association, The Interfraternity Council and successfully compete in intramural athletics. Advisers to Theta Chi, like the Brotherhood, represent a broad spectrum of the campus community. The chapter's advisers include a Chairman of the Department of Physical Science, the Director of University Relations and the University's Head Basketball Coach. Being a Theta Chi is fun and fellowship, but more important, it's a way of life.

Dr. Gerald Baxter and Dr. Rosemary Canfield Names Mr. and Mrs. Greek 1976

Dr. Gerald Baxter

Dr. Gerald Baxter was nominated for the award of Mr. Greek by Lambda Chi Alpha fraternity. Dr. Baxter has been the senior advisor of Lambda Chi Alpha since the chapter's beginning on the TSU campus and he was recently reappointed for another two year term. Dr. Baxter serves on a number of TSU committees and is the Debate Coach at TSU. He has been nominated to OUTSTANDING EDUCATORS OF AMERICA and PERSONALITIES OF THE SOUTH and in the immediate past editor of THE ALABAMA SPEECH AND THEATER JOURNAL.

Dr. Rosemary Canfield

Dr. Rosemary Canfield was nominated for Mrs. Greek TSU by Pi Kappa Phi fraternity. She has been involved in Greek organizations since her days as an undergraduate. She is a member of Delta Zeta sorority and is presently local recommendations chairman for Delta Zeta. She is secretary of the Phi Kappa Phi Mother's Club and has helped in many fraternity projects. She has helped the brothers with many personal problems and is always willing to listen on any problem. She is advisor to Gamma Beta Phi honor society, State Director and was recently appointed member of the National Executive Committee for Gamma Beta Phi. In the seventeen years she has been a teacher, Dr. Canfield has displayed many distinguished characteristics which she has passed on to hundreds of young people.

Elizabeth Lemon Is Named Miss Venus 1976

During Greek Week each year the fraternities and sororities of Troy State nominate girls to compete in the annual Miss Venus beauty pageant. Miss Venus is chosen at the beginning of Greek Week and reigns over all the activities of that week.

TOP TEN: L-R: Belle Nichols, Beverley Jones, Martha Holmes, Donna Ray, Susan Greene, Kim Seifried, Helen Colley, Denise Woodham, Jane Lucas and Elizabeth Lemon.

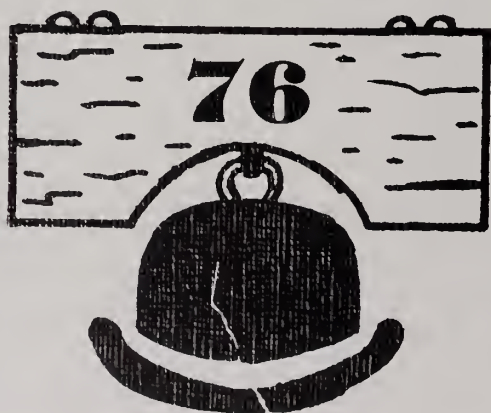

SEMI-FINALISTS: L-R: Kim Seifried: First Runner-up, Jane Lucas: Third Runner-up, Elizabeth Lemon: 1976 Miss Venus, Brenda Swaringer Middleton, Miss Venus 1975, Martha Holmes: Second Runner-up; Donna Ray: Fourth Runner-up.

TSU Has First Sigma Chi Derby Week

Derby '76' is a production of Sigma Chi Gamma Colony of Troy State University. It involves all four sororities and is produced for the sole uses of donations to Pike County Mental Retardation Society and fun. This year is a week long event of such activities, as Skit Night, Derby Snatch, Mud Madness and finally Derby Day. This past year a check for \$550 was presented to the Society for their use. Next year we are looking forward to presenting even a bigger check.

DERBY

Accepting participation and award winning trophies are Carole Antley, Derby Darling; Faye Woodall, Kappa Delta for being first place in the Derby Week events; Jan Jeter, Alpha Delta Pi; and Melody Vergeson, Alpha Gamma Delta.

"Frat Rat" Living

Most people believe that to be in a Fraternity you have to have an iron stomach, a strong will to live and be able to get very few hours of sleep. But that is not all there is to it.

Fraternities do more than just party while they are here. Many worthwhile projects are held during the year for benefits to organizations around Troy. Sometimes it's not much, but every little bit helps. Every fraternity brings brotherhood among its own members in a way that will help them to life's end. They also sponsor many activities with the sororities on campus.

Phi Mu Wins Sigma Pi Powderpuff

1976 Powderpuff Homecoming Court consisted of Mark Smith, Chaney Thompson, Queen, David Lowe and Jim Bruce.

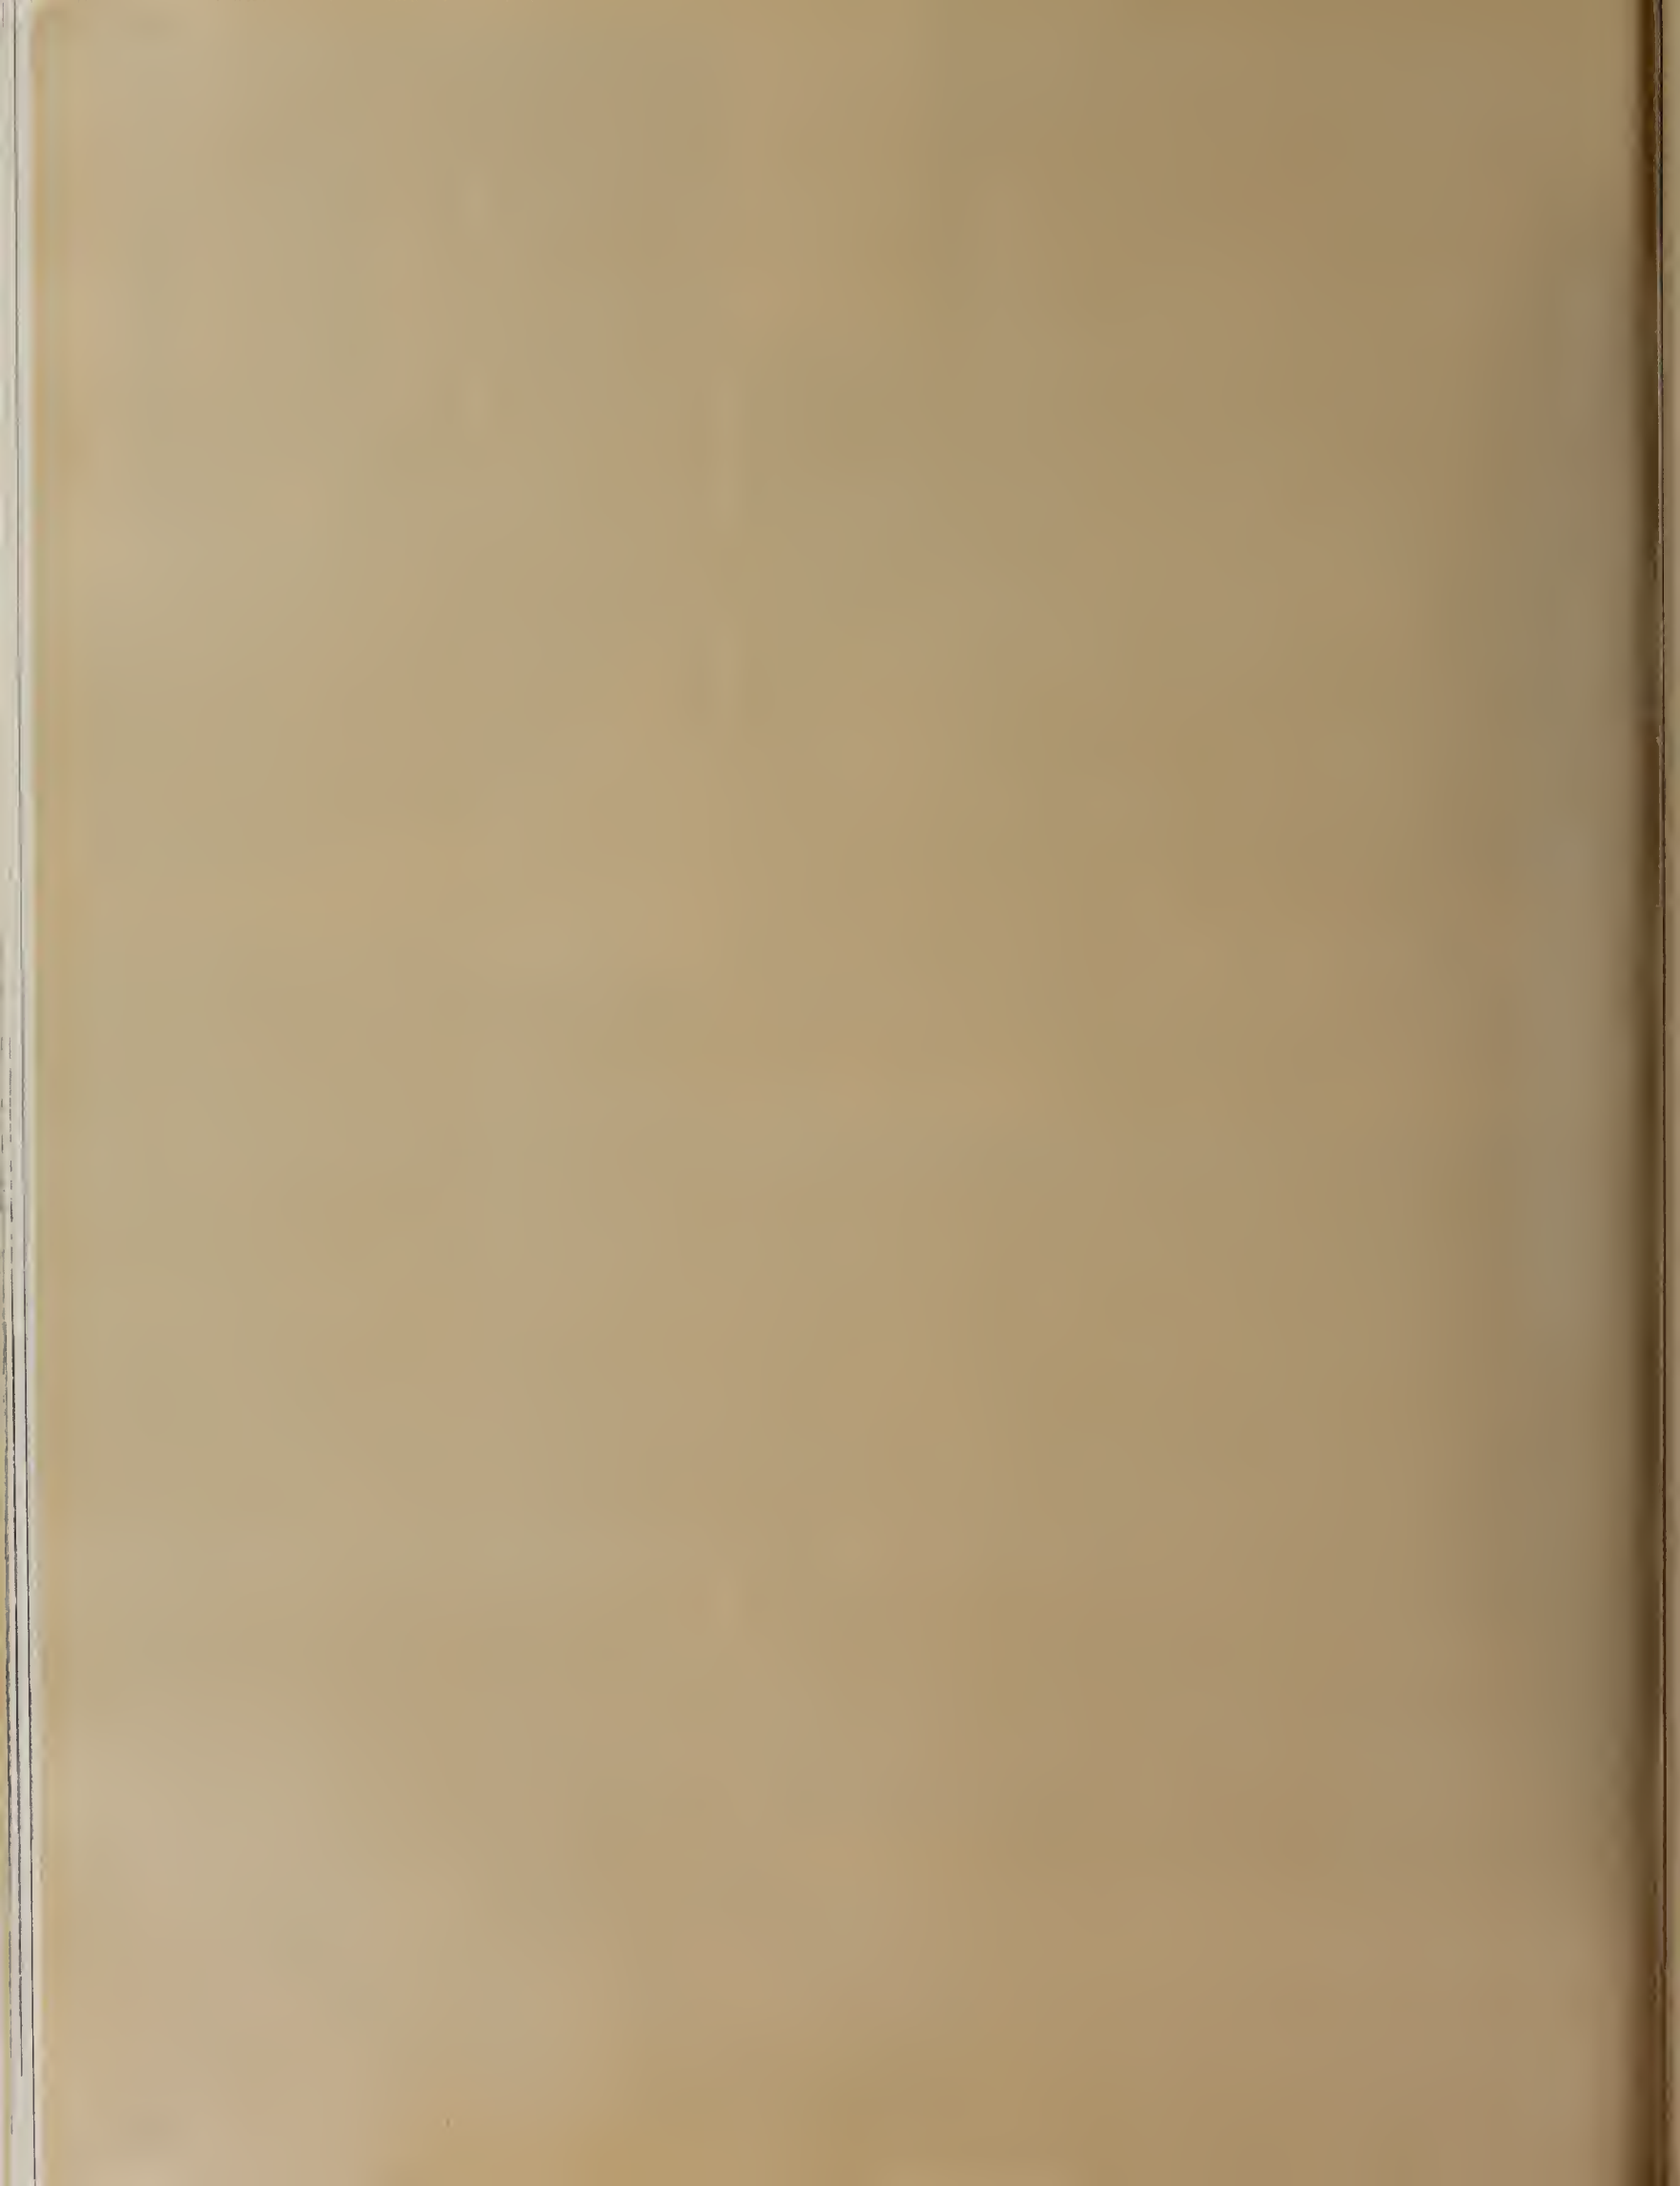

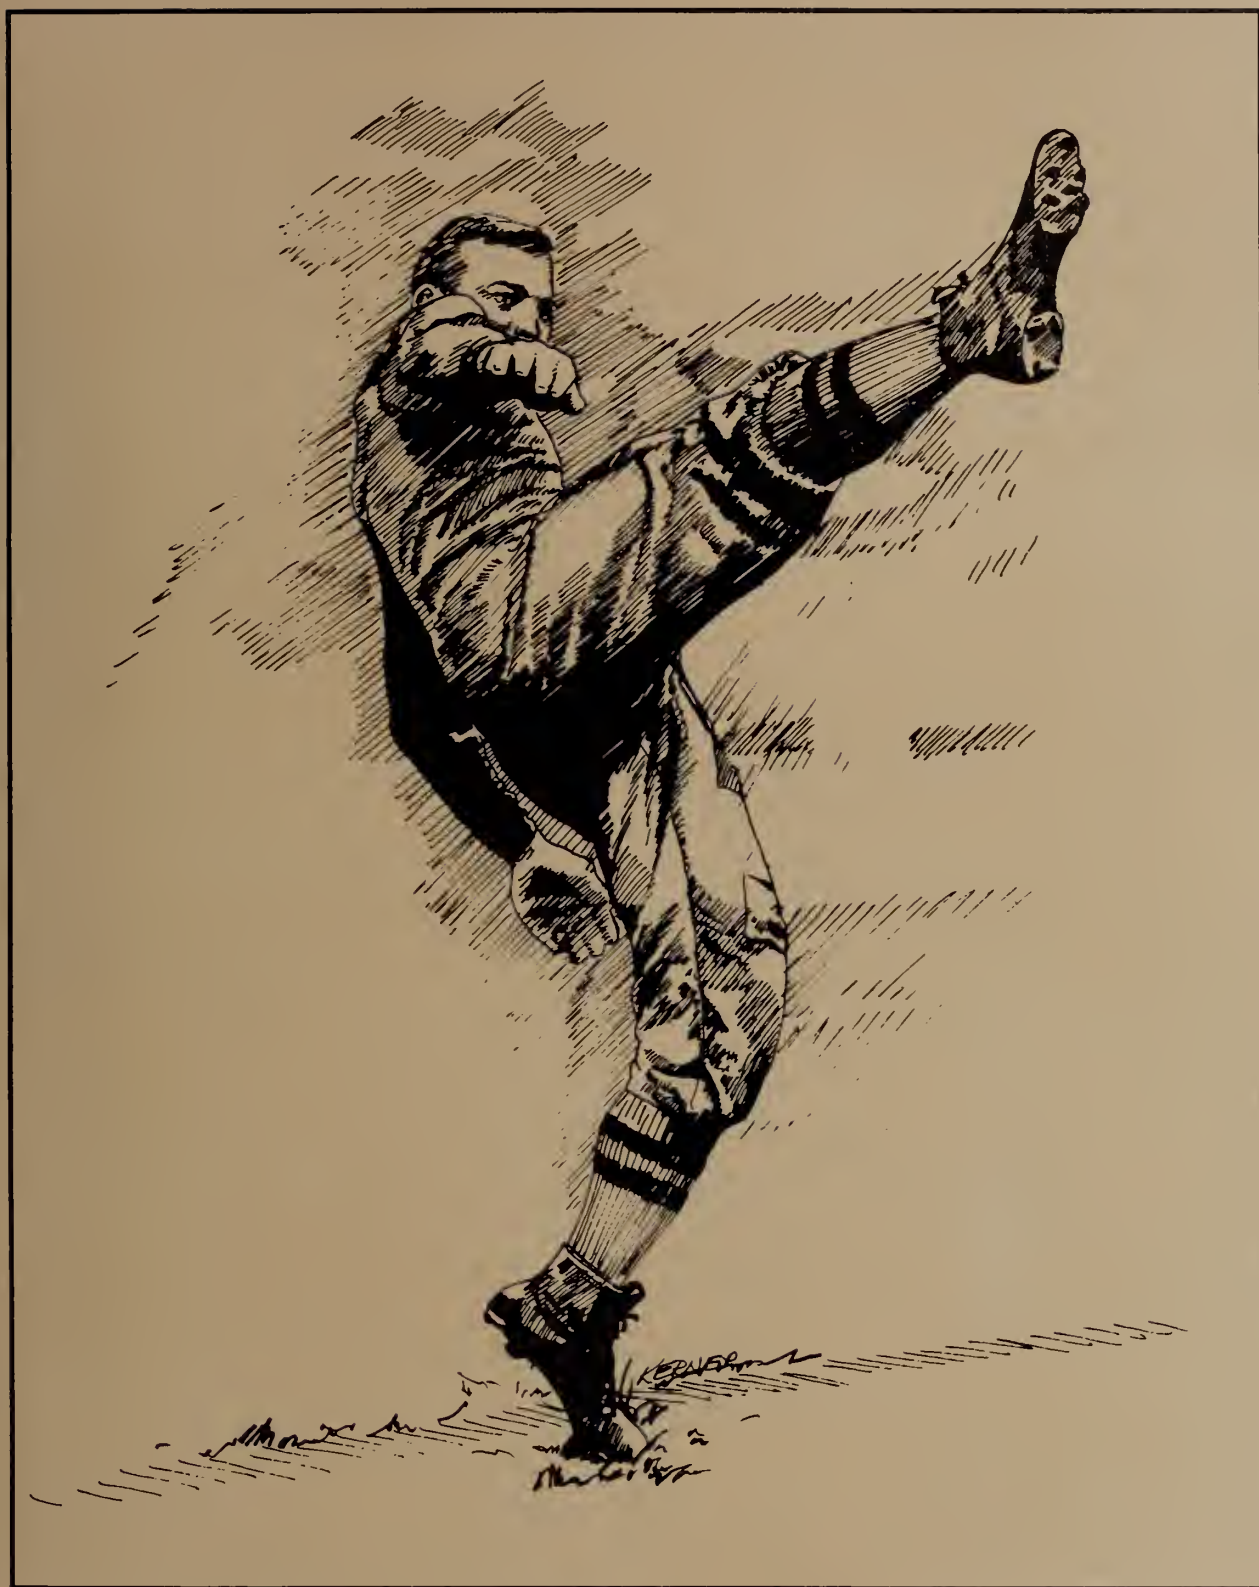

Greek Life — A Community of Individuals

Greek Life on campus is something super. Greek Life involves a variety of individuals, a variety of activities, a group of people striving toward a common goal, and Brotherhood. The Greeks seem to brighten the day with all the sorority and fraternity friendships. The important aspect of the Greeks is Brotherhood, something one can benefit from throughout their life. Being a Greek brings great and meaningful experiences that only a Greek can claim.

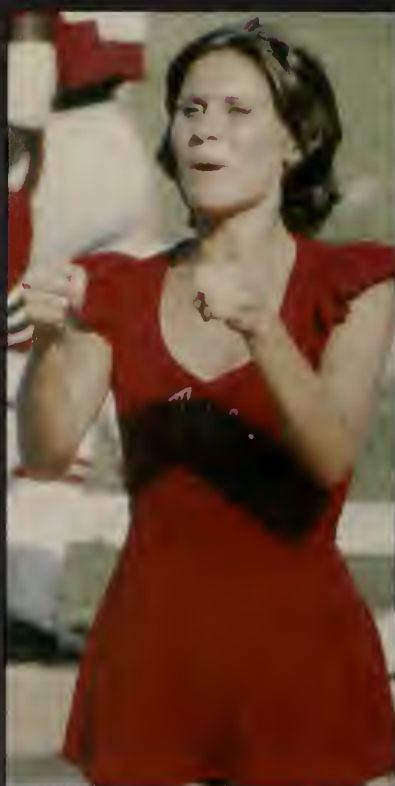

SPORTS

INCONSISTENCY Gives Troy 6-4 Season

Abilene	
Christian	34
Troy	7

The Trojans dropped the season opener to a tough Abilene Christian team that gathered 537 total yards during the evening. 355 of Abilene's total yardage was gained with their passing attack.

The only bright spot of the game for the Trojans came in the third quarter when Ron Daniels hit paydirt from the two yard line.

Troy	13
Alabama St.	10

The Trojans gained their first victory of the season by defeating the Hornets of Alabama State in the Capitol City Bowl held in Montgomery.

Perry Griggs led the offensive charge with six pass receptions that totaled 105 yards. Larry Russell and Sullivan Walker each scored six pointers in the game.

Although gaining 170 passing yards the Hornets could muster only 32 yards on the ground against a stingy Trojan Defense led by Robert Maddox with two interceptions.

Nicholls

State 17

Troy 13

Trouble usually travels in pairs, which is how Troy State picked up its second loss of the young season. The Colonels brought a pair of running backs to Memorial Stadium that gained 104 and 101 yards rushing, accounting for 205 of the 215 total yards gained on the ground for Nicholls State.

Quarterback Bobby Lee completed 12 of 23 passes and scored a touchdown to lead the offense. The other Trojan score came on a pass from Lee to Billy Dixon.

Troy	17
Livingston	14

The Trojans entered their game with previously unbeaten Livingston a heavy underdog, but proved that they could win the big game.

The winning touchdown came with only 36 seconds remaining in the game when Bobby Lee connected with Billy Dixon from seven yards away. During the game winning drive the Trojans converted on two fourth down situations.

Dixon collected both Trojan touchdowns with three more points being added by Robert Kampschmidt's 47 yard field goal.

The defense allowed only two pass completions on their way to the second Troy win in four games.

Troy S.E. Louisiana

26
7

Larry Russell gained 103 yards rushing and collected two touchdowns in leading Troy past the Lions of Southeastern Louisiana for the Trojan's third win of the season.

Quarterback Bobby Lee completed his longest pass of the season, a 39 yarder to David Fletcher, against the Lions. Lee and Winston Boyd also added touchdowns to the Trojan scoring column.

Delta State	31
Troy	25

The Trojans traveled to Cleveland, Miss. for a knock down, drag out battle that saw the Trojans pick up their fifth loss of the season to Delta State.

Delta State led early in the game, 14-0, then Troy State bounced right back with three consecutive touchdowns. However the Statesmen accounted for two more six-pointers and a field goal to pull out their victory.

Quarterback Bobby Lee had his best game of the season as he competed 11 passes for 205 yards.

University

North Alabama	49
Troy	26

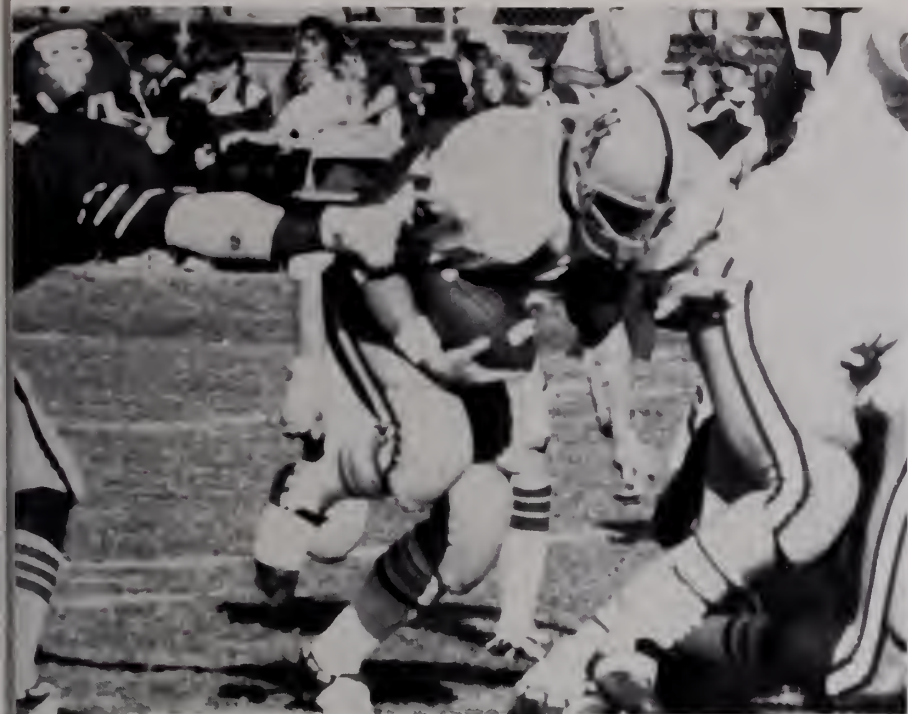

Homecoming wasn't a very happy occasion as the Lions from the University of North Alabama soundly thrashed the Trojans.

The afternoon's scoring spree produced 11 touchdowns by the two teams.

Homecoming

Billy Dixon collected two of Troy's touchdowns, the second time during the season he has scored two six-pointers in a game, one of which was a 100 yard kickoff return.

Perry Griggs and Larry Russell collected the remaining Trojan touchdowns in Troy's second consecutive loss, bringing the season record to three wins and four losses.

1976

Troy N.W. Louisiana

24
0

Moving their record to an even four wins and four losses the Trojans shutout the helpless Demons of Northwestern Louisiana 24-0. The defense proved how tough they could be as they held the Demons to minus 19 yards rushing.

Troy dominated every facet of the game in securing the victory. Larry Russell, Barney Jones and Jimmy Campbell each picked up touchdowns in the game while Robert Kampschmidt added a field goal.

Bobby Lee surpassed the 300 yard career passing mark in the victory.

Troy

University

Tennessee — Martin

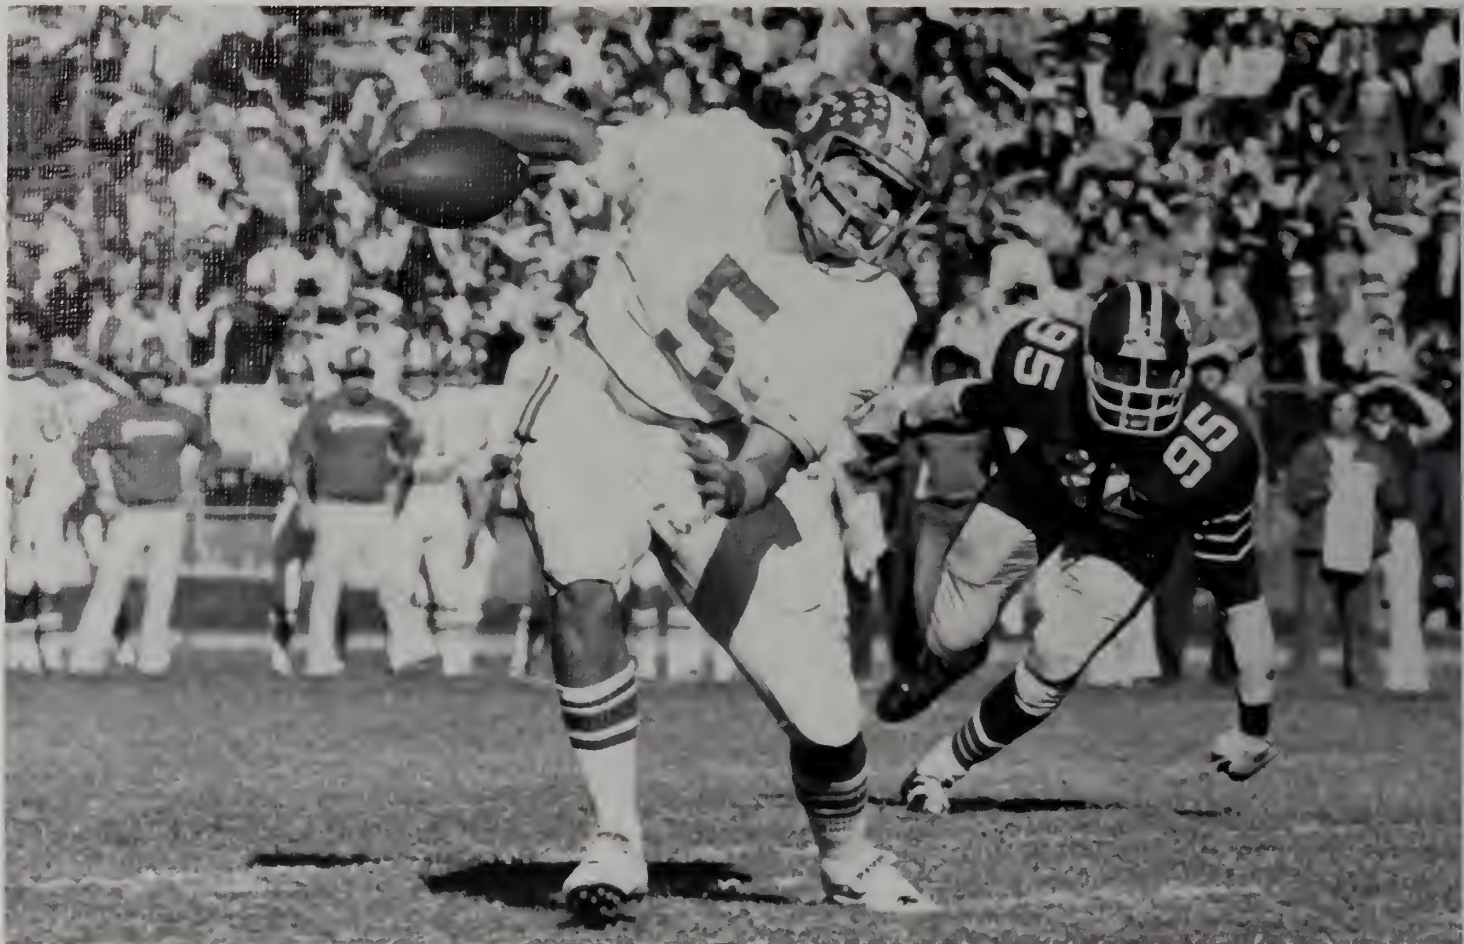

0

The University of Tennessee at Martin became the fifth team of the year to fall at the hands of the Trojans.

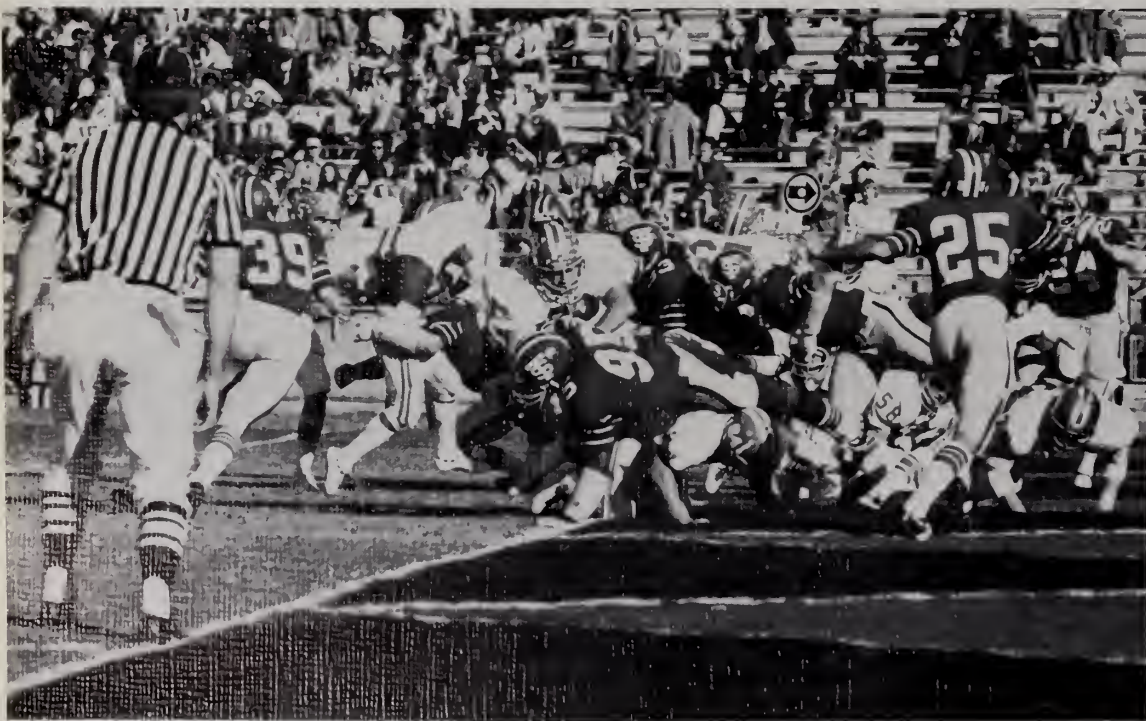

Sullivan Walker led the way with two touchdowns as the Trojans grabbed their second shutout of the season. Field goal specialist Robert Kampschmidt tied a school record with his 47 yard field goal that rounded out the Trojan scoring.

Troy gathered 323 total yards in the game.

Troy	26
Jacksonville St.	10

In the final game of the season, Troy State upset the Gamecocks of Jacksonville State, 26-10. Being only the third loss for the Gamecocks, it brought Troy's season record to 6-4.

Perry Griggs started off an explosive second period for the Trojans as they went on to score 17 points. Griggs, who scored on an eight-yard run, also added a two point conversion after Ron Daniels scored on a five yard run. Not to be left out, field goal kicker Robert Kampschmidt kicked a 26 yard field goal, all of which happened in the second period.

With 18 individual tackles, Rick Maxey led the Trojan defense to an outstanding day, as they held the Gamecocks to only 10 points.

— ALMOST —

"Almost" is the only word that can describe this year's Trojan Basketball season. Compiling a 15-11 overall season record and placing fourth in the Gulf South Conference with a 7-6 record, the Trojans went on to defeat Jacksonville State, 88-85 to gain entrance in the NAIA District 27 Playoffs. Their opponent, University of Alabama at Huntsville, was favored to win the final game and then go on to the National Finals.

But, Coach Wes Bizilia and his team went out fighting and lost the game in the final minutes 74-69.

Many things happened on the courts this year for the Trojans; for instance both David Felix and Carl Hollis scored their 1000th career points and were named to the All GSC Team. Hollis, who was the leading Trojan scorer with a 16.4 average will return to next year's team; along with Felix, the team's second highest scorer with a 14.6 average.

Senior James Love who led the team in rebounds with 12.4 and had a 14.4 shooting average will be missed by Bizilia next year, along with Chip Crawford, Bobby Davis and Mike Herald.

Some people say that the Trojans had a very tough schedule, you would have to tend to agree with this idea, as they played a total of 36 top-rated teams.

Perhaps next year there will be no "Maybe," but until then, Coach Bizilia has to find new people, plan out the new year and come up with a winner.

Coaches John Anderson and John Creer, should be commended on a job well done with the 1975 Trojan Cross-Country team. Collecting Championships in both the Gulf South Conference and NAIA District 27, they then qualified for National honors in Salina, Kan.

With such victories as over the U.S. Military Academy at West Point, to retaining their West Georgia Cross-Country title, the 1975 Harriers, were never really behind when they ran a race. Paced by runners Ed Palmer, Richard Pipkin, David Shilling and Andy Whitener, many records were broken, such as the one by sophomore Palmer, in the West Georgia meet. In this meet Palmer ran the five-mile course in a record 24:56 minute time, breaking the record set by Trojan Terry Crews a year ago.

The 1976 Trojan team should be tough once again this year as they only lost Richard Pipkin to graduation.

TROY'S Ed Palmer

"When you are running a race, there is no sense in worrying about the pain, because it is going to be there anyway; so rather than worrying about the pain worry about the race."

That is the typical thought that is going through the head of Cross Country runner Ed Palmer. Palmer, the 1975 Gulf South Conference Champion, feels the pain when running, but he does not let it stop him from winning.

As a sophomore here at Troy, Palmer has set many new records, with his running capability. In his freshman year he finished second in the Conference in Cross Country and won the three-mile race in the Outdoor Track Finals. This year Palmer has competed in the NAIA Championship in Selina, Kan., where he finished 67th out of 450 runners.

Not being used to so many starters in a race, Palmer felt he didn't get out like he wanted.

"I needed to get out front, but could not. With so many runners in the race, the best way to win would be to get out front so that I would not have to worry about passing anyone."

Do you know what it takes to be a Cross Country runner?

Well to begin with, run between 12 and 15 miles a day, to get and stay in shape. Then have the willpower to finish the race that you have started. The guts to go through with it, not to back out in the end.

"When you're running it doesn't feel good, but when you are through, it feels really great."

A guy like Ed Palmer, does not feel for himself all of the time. When he is running a race he feels he is there to represent the team.

"I have always had the attitude, when running in a race, if there is only a Troy State uniform in front of me, that I have won. They are not the people I'm competing against."

"The team and I would like to extend great thanks to our two coaches, Coach Creer and Coach Anderson. Both men have really helped us this year and given us great inspiration to do the job, the right way."

From a guy who is too short to play basketball, not big enough to play football, but is good enough to run Cross Country, a sport of endurance, all he can say is: "The guys I ran with this year, were an asset to my running. They are one heck of a bunch of Friends."

COLD START — HOT FINISH IS "76" BASEBALL

After getting off to a cold start in the 1976 season, they came on strong to win their last nine Gulf South Conference Games, to place second in that conference behind Jacksonville State.

Coach Joe Hollis' Trojans lost their first four games, only to come back and finish with a respectable 19-19 season mark. In the conference they had a 10-6 record, finishing only one game behind the Jacksonville Gamecocks.

Highlights of the '76 season came when the Trojans defeated the Georgia Tech Yellow Jackets, 10-5 in Atlanta. Also, this past year the Trojans placed two players on the All-GSC team, they were Shortstop Jeff Vardo and Pitcher Ron Pierce.

Has Coach Hollis, who only signed a contract, three weeks before the season's start, turned the TSU Baseball program around?

Placing fourth in the Gulf South Conference this year the Trojan Track Team won both the Troy Invitational and the Troy Relays. Coach John Anderson will have to look hard to replace the likes of graduating Senior Charles Oliver. Oliver, who ran the 440 for Anderson, was named to the GSC Team again this year. He has been named NAIA All-American in the four years he has been at Troy. Roy Houlton, won the Conference Championship in the 880 and was also named to the GSC Team.

Tennis Team Goes to Nationals! — Third Year in a Row —

The Troy State Tennis team after placing fourth in the Gulf South Conference, went on to win the NAIA District 27 title here in Troy. The team, by winning this title represented the district in the NAIA National finals, in early June.

Coach Luck Watford's team, winning 24 of 40 matches this year could never really put it together.

The team placing fourth in the GSC took four of their seven matches against conference teams. Beating Jacksonville State the two times the teams played, but losing both matches to conference favorites, Nicholls State and Southeastern Louisiana University.

Winning the District 27 title, makes it the third year in the row for Coach Watford.

"A COACH'S DREAM" NCAA CHAMPIONS

Winning all but one tournament, the '76 Trojan Golf team went to the NCAA Division II Tournament in Youngstown, Ohio. After defeating such teams as Auburn and Alabama in the Intercollegiate Tournament in Troy, the team won the GSC title.

Placing three members on the All-GSC team, including the individual medalist in Don Reese and other team members, Ricky Beck and Rob Kelly, the team behind the coaching of Mike Griffin were hard to beat.

Traveling to such places as Galveston, Texas; Pinehurst, N.C.; and Thibodaux, La., team members Ronny Mobley, Don Reese, Rob Kelly and Ricky Beck were tough to beat on the courses.

Griffin, in three words, could sum up this year's team as: "A coach's dream."

1973 Was A Vintage Year . . .

RONNY MOBLEY

1973 was a vintage year for the Troy State University Golf team. The reason you ask? Why that's simple; Coach Mike Griffin and Freshman Ronny Mobley came to Troy to start a program in Golf that just won't quit.

Mobley, now a Junior accounting major from Brundidge, has done what it takes to be competitive on the golf course. More than just a game of high skill, it takes a great mental attitude to win.

"When you are trying to win at golf, you can't just psyche yourself up physically, you have to be mentally ready to play also," Mobley said.

In his three years at Troy, this past year was the first time that he did not make the Gulf South Conference team. Placing seventh this year, when they pick the top six to this honor he feels that he did not play up to par.

"I just expected too much this year and I haven't played tough at all," he said. "I was being impatient and did not keep my cool this year as I did in the last two years."

To every athlete there is always the thought in the back of their minds of going pro, Mobley is no different. After College he plans on going ahead and playing on the mini tour if he is playing good. This is the way he is going to test himself to see if he can make it on the Pro-Tour.

"Anyway I look at it, I am going to get my Class A card. When I get this card I will either go on the tour or become an Assistant-Pro at a nice country club for three years, and then try again."

When asked where it all started, he replied: "When I was nine years old my father took up the game and I started playing with him a lot. Then, when I was 14, I entered a junior tournament and won it. Then I really got serious about the game."

Honors are just some of the things that athletes look forward to in their playing career. Others, such as the highlight of a year can bring back pleasure to the ones that participated in this highlight. Mobley feels that the highest point of this year came when the team defeated Auburn in their own tournament. Auburn, rated among the top 20 schools in the nation in Golf, was outshown greatly by the Troy team.

Coach Mike Griffin came to Troy the same year that Mobley arrived, since then his teams have done an outstanding job every year.

"I feel that Coach Griffin is one of the better coaches in the nation right now; he takes great pride in his own game to the point where he won't put a team on the course unless he feels they can win. In a few years he will be known all over the nation for his teams," Mobley said.

What else can you say about a guy that puts everything he has into it, every time he picks up a club, except to finish this story with what he feels it takes to be a winner.

"Mental attitude and concentration are the two big things. You reach a peak in both, then drop off and then you come back to that point. Anybody can practice to become good, but you have to play smart to win."

TSU Cheerleaders

Despite being plagued with injuries all year; such as torn ligaments, blood clots, separated shoulders, sprained wrist and not to mention a cracked coxa bone, the Cheerleaders of Troy State did the job that is expected of them.

They were at all the games, both in Football and Basketball, they were at the Pep Rallies, they were at Clinics during the summer, they were just everywhere.

Led by Captain David Kerner and Co-Captain Deborah Chappel, they were always out front leading the students through the cheers and performing stunts and skits at games and those famous Pep Rallies.

Next year there will be a new squad, but for this past year, what can be said except "Thanks" to an outstanding group.

New Head Football Coach Charlie Bradshaw, a native of Clio, Alabama, comes to the Trojan Coaching ranks with much inspiration and spirit.

Bradshaw, head football coach at the University of Kentucky from 1962 till 1969, played and coached under Paul "Bear" Bryant, both at Kentucky and the University of Alabama.

Honors received by Bradshaw include being selected as UPI National Coach of the Week twice in 1964, while at Kentucky. He was also selected AP National Coach of the Year in 1965.

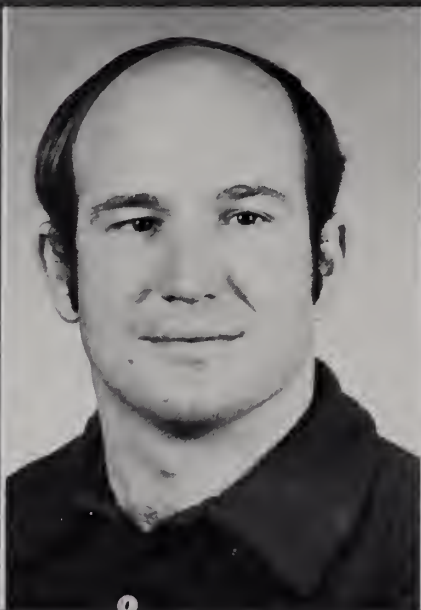

Bradshaw does not just coach the game of football, while in High School he earned six varsity letters in football and basketball at Sidney Lanier in Montgomery. He then attended the University of Kentucky on football scholarship, while there he earned four letters under Coach Bryant.

He graduated from Kentucky with an Associate Bachelor in Education in 1949, then went on to his Masters in High School Administration in 1950.

Three Awards — One Winner

Winner Takes All

Kathy Mowrey, sponsored by the Sigma Chi Fraternity, made a clean sweep Wednesday, January 28, as she competed for the title of Miss T.S.U. 1976.

Not only did Miss Mowrey win the honored title, but she also won the Miss Congeniality Award and the Talent Award. This is the first time in the Pageant's history that one girl has taken all three awards.

Miss Mowrey presented her talent, singing and playing the piano, by performing the song, "Feelings." She is 21 years old and is a senior majoring in music. Miss Mowrey is the daughter of Mr. and Mrs. Robert Mowrey of Geneva.

Miss Mowrey automatically becomes eligible to compete in the Miss Alabama Pageant and will receive a one year T.S.U. scholarship along with numerous gifts from merchants in Troy.

Immediately following the pageant Kathy returned to her dorm to find her room covered with toothpaste, shaving cream and congratulation signs from her friends and sorority sisters.

Since the pageant Kathy has had problems with friends and their cameras. "They seem to think it's funny to find me at my worst moments and then flash their cameras," said Kathy.

Flowers and more flowers came from friends here at school and from her hometown, Geneva. "The people from Geneva have given me a great sense of pride because the town feels I'm representing them as well as T.S.U.," said Kathy.

EDUCATORS

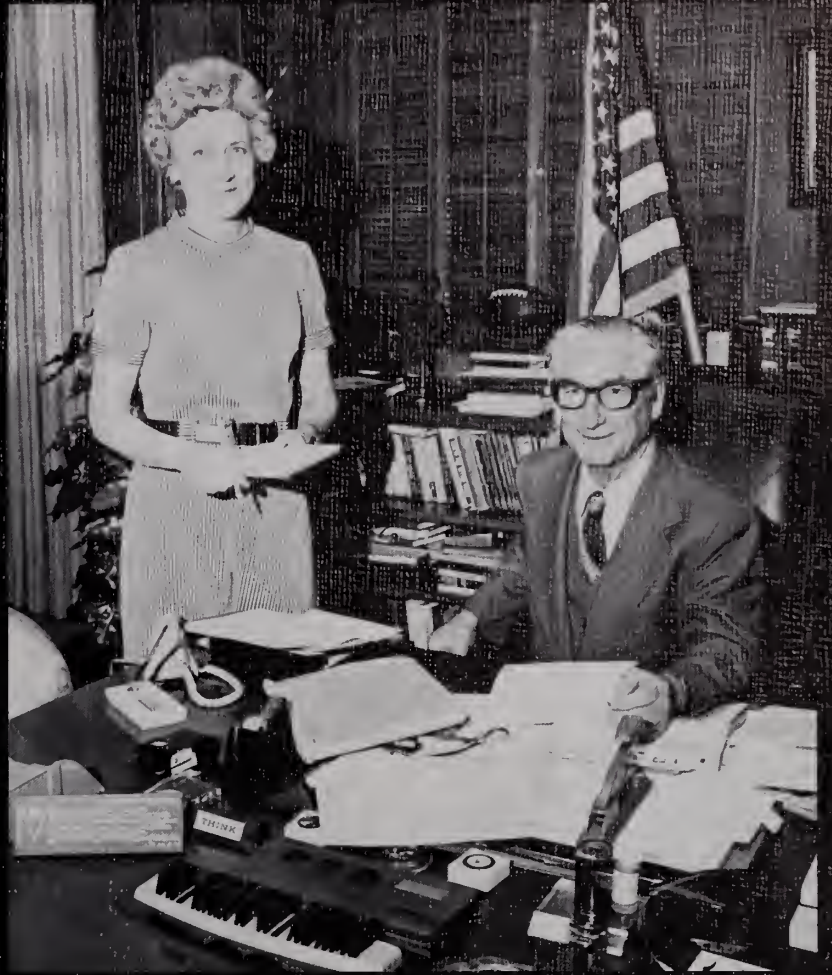

Dr. Ralph Wyatt Adams President of Troy State University

Dr. Adams is a native of Samson, Alabama. He holds earned degrees from Birmingham-Southern and from the University of Alabama. He also has completed extensive postgraduate work at the University of Colorado and at George Washington University.

In education circles, he is known as an innovator. His "University Without Walls" concept of taking education to the people has been both envied and emulated throughout the nation.

In academics alone, when Dr. Adams became President, Troy State University was offering its students an opportunity to earn degrees in only four areas of study. Today, because of Dr. Adams' leadership, that opportunity has expanded to a point where it is possible for those seeking them to earn degrees in fifteen areas of study. This represents a growth in the number of degrees offered by more than 300 percent in only a ten year period.

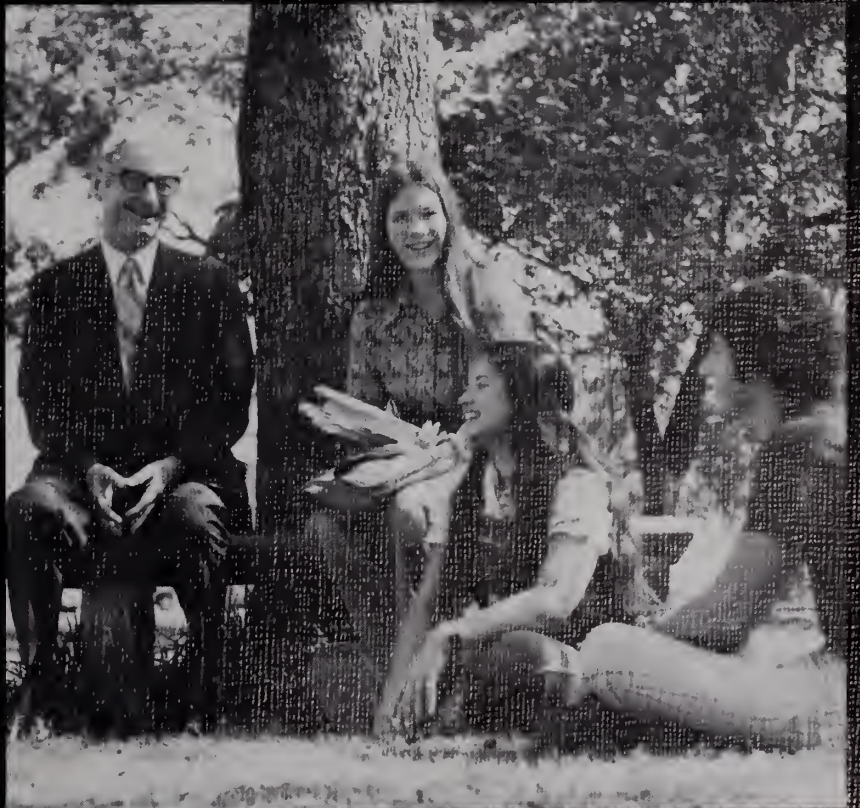

Dr. Adams is a man whose horizons have no bounds, whose services to his fellow man have no limits.

Dr. W. T. Wilks Retires After 29 Years at Troy State

After 29 years of service in numerous capacities at TSU, Dr. W. T. Wilks is retiring from his position as Vice President of the University and Dean of Academic Affairs, effective April 1, 1976.

Dr. Wilks was named Vice President in 1972 to go along with the position as Vice President for Academic Affairs, which he began in 1968. His other positions at TSU include heading the departments of education and science. Following the death of TSU President Frank Stewart in 1964, Dr. Wilks was named Acting President and Chairman of the Administrative Council for six months.

Previous to that time, he headed several faculty committees and was coordinator of Instruction. He began work at TSU in 1947.

He has been chairman of the Troy Housing Authority since 1967.

He has published numerous articles in Journal of Chemical Education, American Journal of Physics, The Science Teacher, School Science and Mathematics, The Grade Teacher, Journal of Alabama Academy of Science, Alabama School Journal, and NEA Publication Education for Free Men.

Some of his honors are Fellow American Association for the Advancement of Science, served as secretary, treasurer and president of Alabama Academy of Science, was Alabama Director of National Science Teachers Association for ten years, Executive Committee Member of State Council of Chief Academic Officers for Alabama Commission on Higher Education, and listed in American Men of Science and Marquis Who's Who.

He is a member of Phi Kappa Phi, Kappa Delta Pi, Omicron Delta Kappa, Kappa Phi Kappa, Phi Delta Kappa, and Phi Eta Sigma.

We regret that Dr. Wilks is leaving TSU, as he has served the University well and he will be missed.

The classics program was initiated by Dr. Malcolm Agnew, former chairman of the Classics Department at Boston University. The emphasis in the original program was about equally divided between traditional language courses (Greek and Latin) and courses in translation dealing with the literature and civilization of the ancient world.

In response to the needs and desires of the university curriculum, the language program has been phased out and the program now consists entirely of translation and humanities courses. Dr. Agnew retired in 1973 and was replaced by Dr. Robert Stampfli, who previously taught at Texas Tech University.

The Department of Philosophy and Religion was established in 1966 in efforts to broaden the liberal arts program at Troy University. The department is presently under the leadership of Dr. Joseph Mitchell, a Phi Beta Kappa graduate of Auburn and Duke Universities, with almost a decade of teaching at Carleton College, Union College and Central Methodist College.

In its offerings in world religions, the Department has sought to give Troy students a global religious perspective. Courses in Old and New Testament have been designed to give them a scholarly introduction to the major religious tradition of western culture.

In its courses in philosophy, the Department has tried to acquaint students with the writing of the great thinkers and to instruct them in the methods of logical thought.

Hall School of Journalism

Though the Department of English at Troy State University offered journalism courses for several years, not until 1970 did the TSU Catalogue list journalism as a minor. Realizing the necessity for a strong journalism program in Alabama, Dr. Ralph W. Adams, President of TSU, announced at the 100th anniversary convention of the Alabama Press Association, held in Birmingham in February, 1971, that a new department of journalism would be established at TSU.

The school was named for the Hall family of Alabama, unique in the number of distinguished Alabama journalists it has produced, with John R. Chamberlain, distinguished author and editor named founding dean.

The Troy State University System, by a vote of the board of Trustees on October 18, 1974, established The HECTOR Awards for Outstanding Performance by Alabamians in Journalism. Nominees chosen for receipt of the HECTOR AWARDS are announced at a symposium for professional journalists and students which is held annually in the spring on The Troy State University System campus. Nominators are invited to attend the symposium and join with the Troy State University System in recognizing nominees.

The HECTOR AWARDS program is endowed by the Troy State University Foundation and is continuous from the date of its establishment.

Business and Commerce

The primary objective of Troy State University's School of Business is to educate and prepare students for employment careers in the business world. Since the operation of a business firm includes the performance of board and diverse duties, preparatory programs at TSU are also broad and diverse.

Bachelor Degree programs in accounting, economics and marketing, along with business and secretarial education, have been in existence at Troy State University for several years. New bachelor degree programs in finance and management were initiated in 1970. Academic education in computer science was begun in 1973.

Although most of the bachelor degree programs in business administration have been offered by TSU for more than ten years, each individually has been revised periodically. Revision is necessary, of course, if TSU is to keep abreast of the rapidly changing techniques found in businesses and in the new or improved technology utilized by businessmen.

Troy State University has made great strides during the past ten years in providing its business students with solid curriculum and a stable faculty. During 1972, all bachelor degree programs were modified so as to better train students for employment in the business world. Obsolete courses were deleted, currently needed courses were added, and other courses were re-organized and re-numbered to place them in their proper curriculum sequence.

Education and Psychology Department

The School of Education at Troy State University has continued to build on the strong foundation built by the institution's earliest students, faculty and administrators.

For the past ten years, however, the growth and progress has been particularly significant.

For example, the professional staff increased during that time from five educationists with three doctorates and two psychologists to thirteen educationists with seven doctorates and six psychologists with three doctorates.

With the improvement in the qualifications of the staff has come a corresponding increase in services and programs.

And, if this expansion and growth were not enough to keep the faculty and staff busy, the School of Education, during the past decade, continued to sponsor a series of summer workshops for in-service teachers and administrators.

The future of the School of Education at Troy State University is indeed a bright one.

Health, Physical Education and Recreation Department

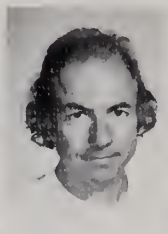

Degree production in the Health, Physical Education and Recreation (HPER) Department in the School of Education has almost doubled in the past decade and the department is serving almost 2,000 students in athletic-oriented activities.

In addition to instructional offerings, the department is also responsible for the University's intramural program. This program offers organized athletic competition in numerous different sports to more than 1,800 students each year.

Speech and Drama Department

The University's Speech and Theatre curriculum has been filled with exciting developments ever since it was first instituted.

One of the first innovations in this area of University study was the organization of the Pied Pipers.

The Pied Pipers are TSU students who perform for children's groups. Officially, Pied Pipers are the "school's first permanent touring children's theatre ensemble."

But unofficially, the group does much more than tour. It attracts to the University's Smith Hall several thousands of youngsters in the South Alabama area to see such performances as "Little Red Riding Hood" and the "Three Little Pigs."

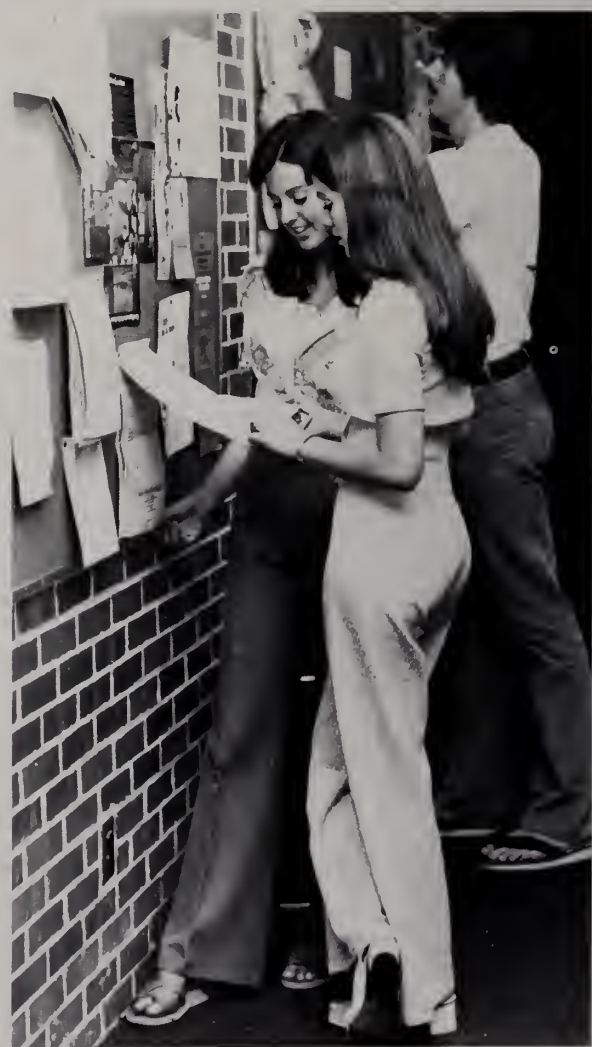

Among the Department's other activities during the year is its sponsorship of theatre and debate camps as a part of the University's summer Fine Arts Camp for high school students, and the dinner theatre which is presented each spring, as well as other productions.

Music Department

During the last ten years the Music Department has grown to be one of the largest of any university in the state. It now has approximately 200 students enrolled. In the past decade the Department has achieved national prominence in many fields under the leadership of its enthusiastic and well qualified staff.

The Collegiate Singers, which numbers 70 members, is now directed by Dr. William Denison, Assistant Chairman of the Music Department. During the 1974 summer quarter, the Master's Degree in Music Education was added to the curriculum and was received by a very large initial class.

Student musical organizations now active on campus include the Phi Mu Alpha and Sigma Alpha Iota professional music fraternities, the Kappa Kappa Psi Honorary Fraternity for College Bandsmen, the Tau Beta Sigma Honorary Sorority for College Bandswomen, and the Music Educators National Conference.

School of Nursing

Recognizing the acute need for nurses and what a university can contribute to nursing education, the Board of Trustees of Troy State University voted to establish a School of Nursing in June, 1969, which would offer a Bachelor of Science in Nursing Degree.

This program was designed to prepare men and women for excellent job opportunities in various health agencies across the nation.

GRADUATION — '76

Honors Day 1976

Mr. Eugene Sherman Receives 1976 Ingalls Award

Eugene H. Sherman, assistant professor in the Troy State University School of Business and Commerce, has been named the recipient of the 1976 Ingalls Award for excellence in classroom teaching.

Sherman will receive a \$1,000 check and a plaque made possible by the Ingalls Foundation, Inc. of Birmingham.

Selection of TSU's "outstanding classroom teacher" was made by a committee of students representing all of the university's academic disciplines.

Sherman is a native of Montgomery and a graduate of Sidney Lanier High School. He attended the University of Alabama where he received his bachelor's and master's degrees.

Outside the classroom, Sherman is chairman of the TSU Faculty Personnel Advisory Committee. He is also a member of the Athletic Policy and Student Affairs committees. He is a member of the university's selection committee for "Who's Who in American Colleges and Universities." He recently served as Chairman of the Title IX Athletic Committee. He is also a faculty advisor to Sigma Pi fraternity.

TSUM

At the invitation of the United States Air Force, Troy State University began conducting classes at Maxwell and Gunter Air Force Bases in Montgomery, Alabama, in the spring of 1965.

Dr. James E. Bailery, Jr., Vice President for the University's operation in Montgomery, explains that at its founding Troy State's purpose was to offer servicemen, their dependents and government employees an opportunity to work toward a baccalaureate degree. Since that time, however, the role of the school within the Montgomery community has greatly expanded to meet the demands of the local citizens for quality educational opportunities. The University administrators have developed a program centered to meet the needs of both the community and those in the military service.

In the spring of 1970, it was requested of the University's Board of Trustees that the designation for the Montgomery branch be changed to that of Troy State University in Montgomery. The request was approved. TSUM was accredited by the Southern Association of Colleges and Schools in 1971.

Robert M. Paul, Vice President Dothan/Fort Rucker

Dothan/Fort Rucker

Officially known as Troy State University Dothan/Fort Rucker, classes were established within the city limits of Dothan in February, 1975, when the University leased office space in the former Houston Hotel building.

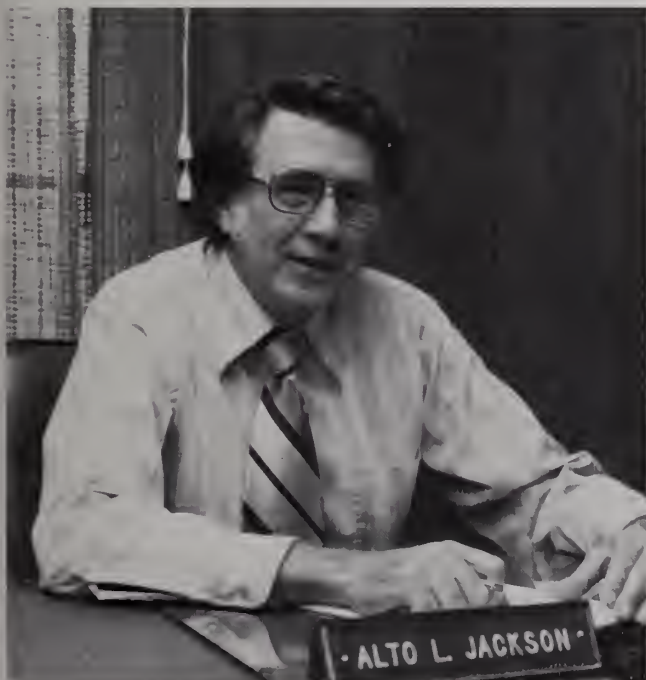

Three hundred students were enrolled at the Dothan campus the first quarter and the enrollment had more than doubled by the fall quarter. More than 1,000 students may eventually occupy the facilities.

According to Robert Paul, Vice President of TSU Dothan/Fort Rucker, "The future of TSU is bright indeed, and our expansion into Dothan assures us of being highly successful."

Facilities include classrooms, lounges, general offices, and a bookstore. Classes are located on 6, 7, and 8 floors with general offices on the 5th floor and the bookstore on the 1st floor.

Sixty-three percent of the faculty at TSU Dothan/Fort Rucker hold doctorate degrees. This percentage far exceeds the 40 percent requirement set for the school by the Southern Association of Colleges and Schools and is the highest of any university in the State of Alabama.

The growth of Troy State University Dothan/Fort Rucker has been nothing short of phenomenal.

Photos of Counseling and Guidance Classes at Zweibruecken, Germany

Troy State University began in 1887 in the small town of Troy, Alabama. Who would have foreseen at that time, or even eleven years ago when Dr. Adams arrived, that Troy State would be operating a campus which covers more than a 2,500 mile distance in four European countries? It indeed has happened because today TSU offers classes at locations in England, Germany, Italy, and Turkey.

The Troy State University European campus is composed of sixteen mini-campuses in four countries; two in Italy, three in Turkey, four in England, and seven in West Germany. Since its inception in August, 1974, the European Division with 14 courses at eight US Air Force installations, and an initial enrollment of 221, has grown to 52 courses at 16 bases and an enrollment of 687; the actual student body has grown from 177 to 430 students.

Individuals with a Bachelor's Degree from an accredited university are eligible for the programs, which grant Master of Science Degrees in Management, International Relations, and Counseling and Guidance. Enrolling in two courses per term can enable the individual to have his degree in fourteen months, without having to write a thesis. This especially provides the serviceman with an opportunity to broaden his education and even earn his Master's while stationed in Europe in the military.

On August 30, 1975, Troy State University European Division, held its first graduation exercises, awarding some 59 Master of Science Degrees (the class consisting of 41 officers, 8 enlisted personnel, and 10 dependents or civilians). At these ceremonies, Dr. Max Rafferty, Dean of the School of Education, delivered the commencement address, and Judge Jack Wallace, member, Board of Trustees, presented the degrees for the President. The 1975-76 graduation is to be held on August 21, 1976.

Dr. James D. C. Robinson European Coordinator

Dr. Robinson received his B.S. Degree from the University of Rhode Island, and his M.Ed. and Doctorate from Auburn University. Prior to his European duties with Troy State, Dr. Robinson was on the main campus as Assistant Vice President for Off-Campus Education from 1973-74 and in 1972-73 Director of Institutional Research. In July of 1974, Dr. Robinson and his family moved to Weisbaden, Germany to coordinate the TSU European Division.

Dr. Robinson has been associated in the administrative capacity with several universities and served 28 years on active duty in the Air Force, retiring as a full Colonel in June, 1967. He was Area Commandant with the ROTC programs covering five state and 20 universities, along with many other administrative duties during his tenure with the Air Force. He has been honored with military decorations of the Legion of Merit, Navy Distinguished Flying Cross, Air Force Distinguished Flying Cross Air Medal with four Clusters, Army and Air Force Commendation Medals. He is a member of the Shrine and Masonic Orders, Phi Delta Kappa, Daedalian Society and was selected as an Outstanding Educational Administrator of America in 1974.

OUR HAPPY HOME ORGAN, \$22.00

**GRADE B, CASH IN
FULL WITH ORDER, \$22.00.**

No. 12R17 OUR \$22.00 ORGAN IS FULL SIZE eight stops, five octaves, two knee swells, three sets of reeds. CASE—SOLID OAK, FINISHED ANTIQUE, OR BLACK WALNUT.

No. 12R17 Our special price, in Grade B.....\$22.00
No. 12R18 Our special price, in Grade A. See description below, only 27.00
Our grade B which we offer at \$22.00 is full size, five octaves, three sets of reeds, one set of 25 Diapason, one set of 37 Melodia and one set of 37 Celeste, double octave couplers. Eight stops as follows: Diapason, Dulciana, Melodia, Celeste, Bass Coupler, Treble Coupler, Diapason Forte and Principal Forte. Two Knee Swells. The price quoted is for the organ carefully boxed and delivered free on board the cars in Chicago. Shipping weight, 325 pounds.

DESCRIPTION OF CASE. Height, 65 inches; length, 44 inches; width, 23 inches. We furnish this organ either in solid oak or black walnut finish as desired. It is a neat and elegant design, beautifully ornamented as shown in illustration, and is given a high finish. This Special Happy Home Organ which we quote at \$22.00 in our Grade B will compare favorably with anything you can buy in your local market at more than double the price. We are able to offer it at this heretofore unheard of price of \$22.00 only by reason of our contracting with the manufacturer for large quantities and on a spot cash basis. If you buy this organ from us at \$22.00 you are buying it on the basis of the actual cost of material and labor, with only one small profit added. We do not guarantee this organ, but offer it with a view to showing what it is possible for us to supply for the home at a price below any competition. It is the best bargain we have to offer and you get it for even less than your local dealers can buy in quantities.

No. 12R18 DESCRIPTION OF OUR A GRADE HAPPY HOME ORGAN AT \$27.00.

For those who wish a more powerful action we have finished our Happy Home Organ in what we term our A Grade, which we furnish at \$27.00. Our A Grade Organ, which we quote at \$27.00, will compare favorably with anything in your local market at \$40.00. At \$27.00 you are buying it for less than your local dealers can buy in quantities. This organ has an additional set of 24 principal reeds, making it much more powerful, and contains in all 11 stops, including Diapason, Dulciana, Melodia, Celeste, Cremona, Bass Coupler, Treble Coupler, Diapason Forte, Principal Forte, Vox Humana, Grand Organ and Knee Swell, 122 reeds in all. We would advise you, by all means, to pay the \$5.00 difference and secure the A Grade. The \$5.00 difference we charge you is the difference in cost to us and should be taken advantage of.

DO NOT OVERLOOK OUR WRITTEN BINDING GUARANTEE. WE GUARANTEE THIS ORGAN FOR TWENTY-FIVE YEARS, AND ISSUE THE LONGEST, STRONGEST AND MOST BINDING GUARANTEE GIVEN WITH ANY ORGAN. SHIPPING WEIGHT, 325 POUNDS.

No. 28R847 Our Sensible Carpenters' Knife, having two large blades, one with clip point and one sheep foot or carpenter marking blade. The blades of this knife are made of full strength 11-gauge steel, has stag handle, steel lining, iron bolsters, German silver shields, finished inside and out. A knife that will give entire satisfaction for practical and rough everyday work. The illustration shows exact size and shape of knife. Price, each (If by mail, postage extra, 6 cents)... 48c

No. 28R849 Dick's Hand Fitting Easy Opener Pocket Knife, with ebony handle, brass lining, German silver bolster and shield. Finished inside and out. The carpenter or anyone else who wants a knife for business, a knife that will feel right in his hand, a knife that will cut, a knife that will hold its edge without being sharpened frequently, will buy this knife. This knife is a distinctly new pattern; and while every line is mechanically true and correct, the general shape of the knife being so different from anything heretofore shown may cause a doubt on account of its shape, but so confident are we of its popularity when once used we will guarantee to exchange any of these knives provided they have not been used, and pay the postage both ways, if not entirely satisfactory after you have held it in your hands once. The illustration shows exact size and shape of knife. Price, each... (If by mail, postage extra, 4 cents)... 45c

No. 28R850 Another Dick's Easy Opener Pocket Knife, same as one previously described, with stag handle, German silver bolster caps and shield, brass lining. Finished inside and out. OUR \$4.40 NEW WHITE POWDER WONDER EJECTOR.

OUR \$4.40 PRICE is made possible by reason of our building this gun in our own factory. We started the manufacture of these guns with a view of giving our customers something better than the regular grade of single barrel guns turned out by factories generally. We started our own factory that we might produce a gun free from all the weak points of the many guns that are being manufactured under competitive conditions that compel the manufacturer to slight vital parts in order to meet the price made by other makers.

WE HAVE SUCCEEDED in turning out in our New White Powder Wonder Ejector, a gun combining the good points of all strictly high grade guns with the defects of none, and yet on a basis of the actual manufacturing cost, the cost of material and labor with but our one small percentage of profit added. We can offer this gun

AT ONLY \$4.40,

much less than inferior single guns are being sold generally.

FROM THE ILLUSTRATION,

engraved by our own artist from a photograph, taken direct from our \$4.40 New White Powder Wonder Ejector,

you can form some idea of the appearance of this gun, but you must see this gun. examine it, compare it with others, must put it to the test of its shooting qualities, compare its target, penetration, long range, killing effect, to realize fully what we have, from our own factory, from the material we ourselves control, from the workmanship we put on the gun by employing the very finest automatic machinery, attained in this justly termed, New White Powder Wonder Ejector;

AT \$4.40,

a reduction of \$1.50 from our last year's price of \$5.90, we offer the New Improved White Powder Wonder Ejector, a gun with all the very latest 1902 improvements brought right up to date, a high class automatic shell ejector breech loading single barrel shotgun, built to combine the good points of every strictly high grade single barrel shotgun made, with the defects of none, at a price much lower than ever before known, a price that barely covers the cost of material and labor with but our one small percentage of profit added, one of the highest of high grade single barrel shotguns. We especially recommend to you for your consideration our New 1902 Model White Powder Wonder Automatic Ejecting Single Barrel Loading Shotgun at only \$4.40.

THE ONLY WHITE POWDER EJECTOR AMERICAN GUN OFFERED AT ONLY \$4.40.

SPECIAL POINTS OF SUPERIORITY

In the New Model White Powder Wonder over the many other single guns made: Wilson's highest grade full welded steel barrel, bored for black or white nitro powder, choke bored by the celebrated taper system; more perfect and more positive action; stronger built and lock mechanism; highest grade automatic shell ejector made; greater strength, accuracy and better finished frame; interchangeable and better finished parts; longer range, better target and more carefully tested. All these very essential points in the shooting and lasting qualities of a gun go to make our New Model White Powder Wonder Ejector superior to any of the regular factory made ejectors now on the market.

BROKEN PARTS ALWAYS REPLACED.

If by accident or otherwise any part should get broken or become lost, being interchangeable they can be readily replaced and can always be had from us at a very nominal charge.

No. 6R414 Automatic Ejector, Wilson's steel barrel, case hardened frame, 12-gauge only, 30 or 32-inch barrel. State length wanted. Our special price.....

OUR BINDING GUARANTEE.

Every New White Powder Wonder Ejector offered at \$4.40, is sent out under our binding guarantee, by the terms and conditions of which if any piece or part gives out by reason of defect in material or workmanship within one year from date of purchase, we will replace or repair it free of charge.

DETAILED SPECIFICATIONS.

Wilson's welded steel barrel; choke bored by the celebrated taper system; very finest automatic ejector, heavy bolted, self locking, self compensating, interchangeable parts, reinforced frame, beautifully case hardened; barrel detachable from frame; rebounding hammer, latest top snap break, fine selected straight grain pistol grip walnut stock, fancy butt plate to stock.

Weight, packed for shipment, about 10 pounds. **\$4.40**

OUR \$10.75 NEW 1902 MODEL DROP FRAME GIRLS' BICYCLE FOR GIRLS FROM 7 TO 12 YEARS OF AGE.

THIS SPECIAL \$10.75 BICYCLE is the highest grade bicycle made for girls. Made of the highest grade material, by skilled mechanics, equipped with the highest grade equipment, including the celebrated single tube guaranteed Seroco tire, and offered at our special \$10.75 price, at a price based on the actual cost of material and labor, with but our one small percentage of profit added.

THIS IS THE EXACT SAME BICYCLE as our special \$10.75 boys' wheel, with the exception of the girls' style of drop curved frame.

YOU WILL NOTE we furnish these wheels with 16-inch frame for girls from 7 to 12 years of age. The price is the same. In ordering be sure to note the different size frames to accommodate the different ages.

UNDERSTAND, every bicycle is covered by a binding guarantee as to quality of material and workmanship. Every pair of tires is covered by our regular guarantee.

..DESCRIPTION..

This bicycle is exactly the same as the boys' bicycle, with the exception of the drop curved frame. The frames are 16 or 18 inches high, made from highest grade tubing, nicely enameled, nicely finished, made extra strong in every part. The wheels are 24 or 26 inches in diameter, strictly high grade. We use high grade, full finished spokes, non-warpable hickory rims. Hubs are strictly high grade, drawn from bar steel, full finished, heavily nickel plated, ball bearing throughout, with ball retainers.

TIRES—Tires are the celebrated Seroco single tube pneumatic tires, fully guaranteed. Tires come complete with quick tire repair outfit.

SADDLE—We use a special high grade Juvenile saddle.

HANDLE BAR—We furnish a strictly high grade steel, raised handle bar, heavily nickel plated, highly finished, complete with leather grips.

BEARINGS—We use strictly high grade bearings, drawn from bar steel, full finished, accurately gauged and adjusted, tempered to a straw color, highly finished and fully guaranteed.

ALL of our Wood Back Hair Brushes

From the cheapest number up, are made of one solid piece of wood. (Solid Back Hair Brushes.) Most hair brushes are made of two pieces of wood glued together, which, when wet, warp and come apart. A Solid Back Hair Brush will outwear three ordinary hair brushes. We sell our solid back hair brushes at less than the price usually asked for ordinary goods. Remember that a solid back hair brush will last two or three times as long as an ordinary brush. Hair brushes weigh from 6 to 8 ounces. Postage on hair brushes about 6 to 8 cents.

BED LOUNGES.

AS A GUARANTEE THAT WE CAN FURNISH YOU A BED LOUNGE OR COMBINATION BED COUCH for very much less money than you can get elsewhere. If you send us your order and money we will send you the lounge or couch by freight, with the understanding that if not found entirely satisfactory when received it can be returned to us at our expense of freight charges both ways and we will return your money.

THE BED LOUNGE OR BED COUCH IS ONE OF THE MOST CONVENIENT PIECES OF FURNITURE you can have in your home. Closed, it makes a handsome piece of furniture, a beautiful lounge or couch. Open, you have a large roomy, comfortable, full spring bed. In small houses or where room is limited and where it is desirable at times to make a bed up in a living room or parlor, this bed lounge or bed couch serves to make the room both a living room and a sleeping room. During the day you have a handsome, comfortable piece of furniture, a lounge or couch. At night you have a large, full width, full spring bed.

WE ASK THAT YOU DO NOT CLASS OUR BED LOUNGES OR COUCHES with any of the many cheap lines on the market. Our couches are made with extra heavy, strong, reinforced and handsomely finished hardwood frames. Only

HIGH GRADE COIL SPRINGS are used, with extra quality of covering. The factory employs only skilled mechanics and as a result we turn out a line of combination bed lounges and couches at prices below any kind of competition, and such couches as can be found only in the best retail stores.

AT OUR SPECIAL PRICES, COST OF MATERIAL AND LABOR, with but our one small percentage of profit added, we deliver these couches, carefully packed and wrapped in burlap, on board cars at the factory in a suburb of Chicago, about twenty miles from the city, from which point you must pay the freight.

OUR \$7.45 BED LOUNGE.

\$7.45

AT \$7.45 upholstered in a special high grade of colored velours cloth, we offer this combination lounge and full size bed in an entirely new style for this season. It is an extra large lounge, mounted on a heavy handsomely finished hardwood frame, the equal of bed lounges that retail generally at double the price. This lounge is 72 inches long by 46 inches wide when open. Closed it is 23 inches wide by 73 inches long. The frame is extra heavy, made of selected hardwood. We will furnish it in golden oak or imitation mahogany as desired. It has extra quality of woven wire springs, and the bed is supported by steel coiled springs on both sides and center of bed, making a very soft and comfortable bed. It has a good quality of cotton top mattress, good ticking. This couch weighs, crated for shipment, about 150 pounds. It is carried by railroad companies at 1 1/4 times first class rate. The freight will average for 500 miles about \$1.25. For exact freight rate to your place see pages 7 to 10. The freight to the point nearest you is almost exactly the same as to your town.

OUR PARLOR SPECIAL FOR \$3.75

THIS CLOCK AS ILLUSTRATED FOR \$3.75 is about one-half what you would pay your local dealer for the same sized clock. A clock as beautifully ornamented, sold by the clock companies to the retail dealers for \$4.25. We have made a purchase of an immense quantity; the entire clock is manufactured expressly for us by the renowned Waterbury Clock Company, located at Waterbury, Connecticut, and each and every one of them is thoroughly guaranteed in every respect and we warrant them to give entire satisfaction.

FROM THIS LARGE ILLUSTRATION ON THE RIGHT, we have tried to give you some idea of the appearance of this handsome parlor special clock, and while this picture accurately presents it,

YOU MUST SEE AND EXAMINE THE CLOCK TO APPRECIATE THE VALUE WE ARE OFFERING.

DESCRIPTION OF CASE.

THIS CLOCK CASE IS MADE OF WOOD, covered with a secret preparation in imitation of black marble. This clock, wiped with a damp cloth at intervals, will always keep as new. It is guaranteed not to chip, warp or wear off and always retains its appearance of genuine black Italian marble.

THE CLOCK IS ORNAMENTED with four handsome gold plated scrolls. It stands upon beautiful metal feet made to match the balance of the scroll work. The dial of the clock is one of the very latest productions, being fancy rococo embossed pattern. The numerals are Arabic ones. Height of clock is 12 1/4 inches; width of clock, 9 1/2 inches; depth of clock, 4 1/4 inches.

DESCRIPTION OF MOVEMENT.

THE MOVEMENT FITTED IN THIS CASE is one of the Waterbury guaranteed movements, runs eight days with one winding. It is made of the finest tempered steel and hand wrought brass; it strikes the hour on a cathedral gong and the half hour on a brass bell. You can always know the time without seeing the clock. The hands are very fine hand sawed blue steel of the Fleur de Lis pattern.

This clock, boxed ready for shipment, weighs about 15 pounds.

No. 5R7615 Remember, our price for this beautiful clock is but . . . **\$3.75**

STEREOSCOPES

24c

STEREOSCOPES AND VIEWS NEVER WERE MORE POPULAR THAN AT THE PRESENT TIME.

With the large assortment of views which we list, there is an endless amount of entertainment to be obtained from an outfit of this kind, at a very small expense. We do not list the cheapest line of stereoscopes made, for we cannot conscientiously recommend them to our customers.

YOU CAN MAKE BIG MONEY SELLING THESE STEREOSCOPES AND VIEWS.

Our 36-cent views readily bring \$1.00 per dozen. Our colored views, for which we ask you only 54 cents, will sell easily for \$1.50, and our best grade views should never be sold at retail for less than \$3.00 per dozen. Our 24-cent stereoscopes sell like hot cakes at from 75 cents to \$1.00 each.

Another Palladium has been completed and will now be added to the many other volumes that tell the history of Troy State University. Like every other yearbook in the country, we tried to include the nation's bicentennial, but not so as to make it the dominant feature in the book. This book will mean something different to each student, but to the staff who produced it, it is the result of a lot of hard work and solutions to problems we thought would never be solved. Of course, all the problems are never solved, but hopefully the book will in years to come, bring back the "good ole days" at TSU.

There are many people involved in the making of a yearbook at which time I would like to acknowledge. To the fantastic library crew of James, Steve, Kenny, Ron, and Beth Ann, I say thanks for all the rush jobs and for always coming through. I'll never know how you did it all. To Ann Hart, a special thanks goes out for designing our cover and to David Kerner for the excellent art work done on our division pages. To Gary Stogner, Mr. Hall, and the entire University Relations, I thank for all the sports and valuable information we received from you. Recognition is also due to Kenny Wilder and Jim Robbins of Taylor Publishing Company for their expert advice and suggestions. I also thank Mr. McGhee of National School Studios for doing the class pictures, coming back to re-do them, and for giving me the experience of crutches when I broke my toe while trying to operate the camera. Thanks also goes out to the many people who helped us on their own time in alphabetizing pictures. To Dean Gibson and President Adams, I thank for your advice and guidance throughout the year.

Last, but the most special thanks of all goes to my great staff and advisor, for without them, the book would still be in planning stages. To Dannylu, I thank for making the office so lively and for helping me cope with "all the problems." To Bill, my business manager, I thank for all the great ads and to Ron, whom I finally got used to, I thank for a super sports section. To Sue, I thank for always doing all the dirty work we gave you so cheerfully. To Terry, I thank for hanging in there one more year and for not giving up when the going got tough. Special thanks goes out to Jacqueline for being the kind of advisor we all needed. Finally to all my friends, family and sorority sisters I owe a big thanks for always pulling me through all the rough times. As I end my two years as Editor, I leave with the thought of doing the job the best I could. My yearbook days are over and I can truly say that it has been an experience I will never forget.
